STATEMENT OF PRACTICAL TREATMENT

- If swallowed - Call a physician or Poison Control Center. Drink large quantities of water and induce vomiting. Do not induce vomiting or give anything by mouth to an unconscious person. Avoid alcohol
- If in eyes - Flush eyes with plenty of water for at least 15 minutes. Get medical attention if irritation persists.
- If on skin - Wash with plenty of soap and water. Get medical attention if irritation persists.

NOTE TO PHYSICIAN: possible mucosal damage may contraindicate the use of gastric lavage.

See side panel for additional precautionary statements.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Fatal if swallowed. Corrosive. Causes eye and skin damage. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Wash thoroughly with soap and water after handling and before eating or smoking tobacco products. Remove and wash contaminated clothing before reuse. May cause dermal sensitization. Avoid contamination of food

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters unless this product is identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL AND CHEMICAL HAZARDS

Under alkaline and/or reducing conditions, cyanides may be produced. Strongly acid solutions may evolve hydrogen cyanide gas. Use Vedexil-DM/K in systems at pH 3-9 only.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use by manufacturers only in formulating industrial micro-biocides and preservatives. Formulators using this product are responsible for providing data for the EPA registration of their formulated products.

STORAGE AND DISPOSAL

STORAGE: Do not store near feed or food products. Do not mix with other chemicals.

PESTICIDE DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Completely empty container by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
