DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in cool, dry area away from heat.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty bags into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke. Observe all Federal, state and local regulations concerning disposal of waste pesticide and containers.

Formulators using this product are responsible for obtaining Environmental Protection Agency (EPA) registration for their formulated products.

This product may be used for the formulation of insecticides and microbial products for the following registered pesticide use patterns:

Indoor Insecticide Uses On: Mop, spot and crack and crevice treatment in homes, residential, industrial, institutional and commercial buildings and in transportation equipment.

For use to impregnate absorbent material: To inhibit the growth of odor-causing bacteria. Use Direction: [Product] is to be used to impregnate absorbent materials to inhibit the growth of odor-causing bacteria. Apply at a rate of approximately equivalent to 0.036% w/w equivalent boron.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Causes irritation. Harmful if swallowed or absorbed through damaged skin. Avoid contact with eyes, skin and clothing. Avoid breathing dust. Use with adequate ventilation. Keep container closed. Wash thoroughly after handling. Avoid contamination of feed and food. Good housekeeping practices are important. Product should not be allowed to accumulate in equipment.

Statement of Practical Treatment

If Swallowed induce vomiting immediately by giving two glasses of water and sticking finger down throat. Call a physician. Never give anything by mouth to an unconscious person. If in Eyes flush with plenty of water for at least 15 minutes. Call a physician.

Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

CONDITIONS OF SALE

All statements concerning the use of this product apply only when the product is used as directed. **THERE ARE NO WARRANTIES INCLUDING MERCHANTABILITY WHICH EXTEND BEYOND THE DESCRIPTION ON THE LABEL.** The manufacturer shall in no event be liable for consequential damages. Read all directions carefully. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, express or implied by law, not specifically set forth herein.
