Date of Issuance:
SEP 29 1997

NOTICE OF PESTICIDE:

Registration
 Reregistration

Term of Issuance:
Unconditional

Name of Pesticide Product:
THREE ELEPHANT BORIC
ACID TECHNICAL

(under FIFRA, as amended):

Name and Address of Registrant (include ZIP Code):

North American Chemical Company
Reg West P.O. Box 2220
Greeley CO. 80632-2220

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the product listed above. With regards to labeling, you must make the labeling changes listed below.

1. Revise the Precautionary Statement to read:

CAUTION "Harmful if swallowed or inhaled. Causes moderate eye irritation. Avoid contact with eyes or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling." Remove contaminated clothing and wash clothing before reuse.

2. Revised the Statement of Practical Treatment to read:

If Swallowed: Call a physician or Poison control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.

Signature of Approving Official:

Date:

SEP 29 1997

OR

IF SWALLOWED: Call a physician or Poison Control Center
Drink 1 Or 2 glasses of water and induce vomiting by
touching back of throat with finger, or if available
By administering syrup or ipecac. If the person is
Unconscious, do not give anything by mouth and do not induce
vomiting.

IF INHALED: Remove victim to fresh air. If not
Breathing, give artificial respiration, preferably
by mouth-to-mouth. Get medical attention.

IF IN Eyes: Flush eyes with plenty of water. Call a
physician if irritation persists.

3. The request for waiver of the efficacy data requirements
for product specific data is granted.
4. Submit five (5) copies of your final printed labeling
before you release the product for shipment. Refer
To A-79 Enclosure for further description of the
final printed labeling.
5. Enclosed is a copy of your label stamped "Accepted
With Comments". This action is taken under the
authority of section 4(g)(2)(c) of the Federal,
Fungicide and Rodenticide Act, as amended.
Registration under this section does not eliminate
the need for control reassessment of pesticides.
EPA may require submission of data at anytime to
maintain the registration of your product.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in cool, dry area away from heat.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty bags into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke. Observe all Federal, state and local regulations concerning disposal of waste pesticide and containers.

Formulators using this product are responsible for obtaining Environmental Protection Agency (EPA) registration for their formulated products.

This product may be used for the formulation of insecticides and bacteriostatic products for the following registered pesticide use patterns:

Indoor Insecticide Uses On: Mop, spot and crack and crevice treatment in homes, residential, industrial, institutional and commercial buildings and in transportation equipment.

For use to impregnate absorbent material: To inhibit the growth of odor-causing bacteria. Use Direction: [Product] is to be used to impregnate absorbent materials to inhibit the growth of odor-causing bacteria. Apply at a rate of approximately equivalent to 0.036% w/w equivalent boron.

PRECAUTIONARY STATEMENTS Hazards to Humans & Domestic Animals

Change
CAUTION: Causes irritation. Harmful if swallowed or absorbed through damaged skin. Avoid contact with eyes, skin and clothing. Avoid breathing dust. Use with adequate ventilation. Keep container closed. Wash thoroughly after handling. Avoid contamination of feed and food. Good housekeeping practices are important. Product should not be allowed to accumulate in equipment.

Statement of Practical Treatment

If Swallowed induce vomiting immediately by giving two glasses of water and sticking finger down throat. Call a physician. **Never give anything by mouth to an unconscious person.** **If in Eyes** flush with plenty of water for at least 15 minutes. Call a physician.

Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

CONDITIONS OF SALE

All statements concerning the use of this product apply only when the product is used as directed. **THERE ARE NO WARRANTIES INCLUDING MERCHANTABILITY WHICH EXTEND BEYOND THE DESCRIPTION ON THE LABEL.** The manufacturer shall in no event be liable for consequential damages. Read all directions carefully. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, expressed or implied by law, not specifically set forth herein.
