Ms. Carol A. Oddi
Biologic, Inc.
11 Lake Avenue Extension
Danbury, Connecticut 06811

MAY 13 1993

Dear Ms. Oddi:

Subject: Triforine Technical
EPA Registration No. 64746-2
Your Submission Dated November 17, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable.

Note that this acceptance of your label does not relieve you of your obligation to comply with the Worker Protection Standard (WPS). If any of your products are covered by the WPS, you are required to submit, and receive the Agency's approval by April 21, 1994, of a revised label reflecting the required label statements of 40 CFR 156, published in the FEDERAL REGISTER on August 21, 1992 (57 FR 38102). Further guidance will be issued. According to 40 CFR 156, subpart K, specifically § 156.200(c)(3): "No product to which this subpart applies shall be distributed or sold without amended labeling by any registrant after April 21, 1994."

A stamped copy is enclosed for your records.

If there are any questions, please call Clarence Lewis at (703) 305-6900.

Sincerely yours,

Clarence O. Lewis III

DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

IMPORTANT: Read the entire Directions for Use and Conditions of Sale and Warranty before using this product. If terms are unacceptable, return the unopened product container at once.

Conditions of Sale and Warranty

The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of BioLogic, Inc. or the Seller. All such risks shall be assumed by the Buyer.

BioLogic, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. BioLogic, Inc. makes no other express or implied warranty of Fitness of Merchantability or any other express or implied warranty. In no case shall BioLogic, Inc. or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. BioLogic, Inc. and the Seller offer this product, and the Buyer and user accept it subject to the forgoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of BioLogic, Inc.

No end use of this product other than formulation is intended or implied by the above Conditions of Sale and Warranty.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

This pesticide may be used only for formulation into an fungicide, for the following Terrestrial Food Crops:

Almonds, Apples, Apricots, Cherries, Nectarines, Plums and Prunes, Asparagus, High Bush Blueberries, and Cranberries.

4044

"Uses For Which USEPA Has Accepted The Required Data That The Formulator Has Submitted In Support Of Registration; and Uses For Experimental Purposes That Are In Compliance With USEPA Requirements."

Formulators using this product are responsible for obtaining EPA registration of their formulated product.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal or cleaning of equipment. Open dumping is prohibited. Store in a cool, dry place.

Pesticide Disposal: "Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance."

Pesticide or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

Container Disposal: Dispose of in an incinerator or landfill approved for pesticide containers or bury in a safe place. Consult federal, state, or local authorities for approved alternative disposal procedures such as limited open burning.

Note: For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup and disposal of wastes. "In the event of a major spill, fire, or other emergency, call _____ day or night."

Precautionary Statements

Hazards to Humans and Domestic Animals

Caution

Harmful if inhaled. Avoid breathing dust. Avoid contact with skin. In case of contact, immediately flush skin with plenty of water. Get medical attention if irritation persists.
