Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number

64864-42

Date of Issuance

NOV 13 1998

NOTICE OF PESTICIDE:

Registration

Reregistration

(under FIFRA, as amended)

Term of Issuance: Conditional

Name of Pesticide Product:

Deadline Force Liquid

Name and Address of Registrant (include ZIP Code):

Karen M. Nold
Pace International LP
500 7th Avenue South
Kirkland, WA 98033

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. "64864-42".

Signature of Approving Official:

Tina E. Levine
Tina E. Levine, PhD., Chief
Insecticide-Rodenticide Branch
Registration Division (7505C)

Date:

NOV 13 1998

2/4

Page Two
64864-42

3. Submit two (2) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records. If there are questions concerning this registration, call Dani Daniel of my staff at 703 305-5409.

THE GARDEN DEFENDER™

Easy-to-Use, Easy-to-Store Liquid Deadline Force
 Convenient, clean and effective, Deadline Force resists rain. Put Deadline Force around tender shoots. A thin line of Deadline Force around the area you want to protect will keep new migrants from taking up residence in your yard.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. The product is specially formulated to control and prevent slug and snail damage to plants. The presence of slug and snail can be detected by their shiny, mucous trail. They are night feeders and prefer damp, cool places.

Apply this product in areas likely to be infested at the beginning of the spring planting season before damage occurs and as needed during periods of damp weather. Treat every 3 to 4 weeks or as needed. During periods of high rainfall or frequent watering, it may be necessary to treat more often.

If ground is dry, thoroughly water areas to be treated. For best results, spray in the evening around flower, vegetable, ornamental plants, vegetable gardens and lawn areas. Apply only to the soil surface around plants. Do not apply directly to plants. Do not mix with any fluid prior to application.

Flowers & Lawns: Flip up soil and lightly sprinkle a line of drops 3 to 4 inches apart around flower beds and lawn edges. Apply any time, but preferably in early evening. Repeat applications as needed. When applying, occasionally use bottle upright in other dirt to water the beds.

STORAGE AND DISPOSAL

STORAGE: Only use product from original container and keep in locked storage area away from children and pets.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash. Dispose of any piles or spills which may occur. Do not leave excess product of application sites.

CONTAINER DISPOSAL: Do not reuse container. Rinse thoroughly before discarding in trash.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Do not induce vomiting. Seek medical assistance immediately.

If in Eyes: Flush with plenty of water for at least 15 minutes and get medical attention.

If on Skin: Wash thoroughly with soap and water.

NOTICE: User assumes all responsibility for safety and use not in accordance with label directions. Permission to use the U.S. flag symbol given by Children's Hospital of Pittsburgh.
