	U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505C) 401 "M" St., S.W. Washington, D.C. 20460	EPA Reg. Number: 64864-50	Date of Issuance: JUN 20 2000
		Term of Issuance: Conditional	
		Name of Pesticide Product: 1-Naphthaleneacetic Acid Technical	
(under FIFRA, as amended)			
Name and Address of Registrant (include ZIP Code): Scott Hathorn III Pace International 1011 Western Ave, Suite 505 Seattle, WA 98104			
Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. If any correspondence on this product always refer to the above EPA registration number.			
On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.			
This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you: 1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4. 2. Make the following label changes before you release the product for shipment: a. Revise the EPA Registration Number to read, "EPA Reg. No. "64864-50.			
Signature of Approving Official: Cynthia Giles-Parker Fungicide Branch (PM22) Registration Division (7505C)		Date: JUN 20 2000

ENVIRONMENTAL HAZARDS

Keep out of lakes, streams, or ponds. Do not contaminate water by the cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This Manufacturing-use Product may only be used for formulating plant growth regulator end-use pesticides containing Sodium, Potassium or Ammonium Salts of 1-Naphthaleneacetic Acid; or containing the Ethyl Ester of 1-Naphthaleneacetic Acid; or containing 1-Naphthaleneacetamide. Formulators using this product are responsible for obtaining EPA registrations for their formulated products as appropriate for their intended uses.

FOR MANUFACTURING USE ONLY

This technical material may only be used to produce formulations that are registered or exempted from registration by the U.S. EPA. If it is desired to produce formulations that do not have prior approval, the producer of such formulations is responsible for providing all necessary data and for obtaining registration.

Only for Formulation into a Plant Growth Regulator for (1) The Following Uses: Apples, Cherries, Olives, Oranges, Pears, Pineapples, Quinces, Tangerines (Mandarins), Tangelos, Tangors, and non-food uses. (2) Uses for Which USEPA has Accepted the Required Data and/or Citations of Data that the Formulator has Submitted in Support of Registration; and (3) Uses for Experimental Purposes that are in Compliance with USEPA Requirements.

STORAGE AND DISPOSAL

STORAGE: Avoid contact with other pesticides, seeds, fertilizers or feed stuffs. Do not use in equipment or in containers in which you have handled or will handle other agricultural chemicals unless thoroughly cleaned.

PESTICIDE DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Completely empty container by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into equipment. Then dispose of container in a sanitary landfill or by incineration if allowed by state and local authorities. If product is packaged in an inner container with an outer drum overpack and the drum is contaminated and cannot be reused, dispose of the drum in the same manner.

NOTICE TO BUYER

Pace International LLC warrants that this product conforms to the chemical description on its label and is reasonably fit for the purposes stated on its label, when used under normal conditions of use. Pace International LLC is not responsible for the use of this product contrary to its label directions, precautionary statements, or under atypical conditions not reasonably foreseeable by the Manufacturer and/or Seller. Nor shall Pace International be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be the sole legal responsibility of the Buyer.

Except as expressly provided herein with regard to this product, Pace International LLC makes no warranties, guarantees or representations of any kind, either expressed or implied, or by usage of trade, statutory or otherwise, including but not limited to merchantability, fitness for use or eligibility for trade usage. Buyer's or User's exclusive remedy, and Pace International LLC's total liability shall be for damages not exceeding the cost of the product.
