STATEMENTS

PRECAUTIONARY STATEMENTS

CAUTION: Keep away from children. Wash hands with soap and warm water after handling. Harmful if swallowed. Avoid breathing of dust. Do not use on smooth, hard surface floors (tile, wood, linoleum, etc.) due to crystal powder may be slippery.

USE RESTRICTIONS: Children and pets should not be in treatment area until after application is completed. Avoid contamination of feed and foodstuffs. Avoid contamination of ornamental plants.

STATEMENT OF PRACTICAL TREATMENT:
EYES: Flush with lukewarm water for 15 minutes. Consult a physician at once.
SKIN: Rinse with water.
INHALATION: Remove to fresh air. May cause slight nasal irritation as a nuisance dust. May cause sneezing and coughing.
INGESTION: Drink large amounts of water or milk. Consult a physician.

STORAGE AND DISPOSAL: Keep container closed when in use. Store in original container, in a dry place inaccessible to children and pets. Disposal: Do not reuse empty container. Securely wrap container in several layers of newspaper and discard in trash.

ACTIVE INGREDIENTS:
Sodium Tetraborate Decahydrate...100%

IMPORTANT CONSUMER INFORMATION

PURPOSE: FLEAGO is a flea killing powder and rug deodorizer. It is a dry crystal powder that works on carpet and under the cushions of upholstered furniture to kill fleas.

DIRECTIONS: It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not use on smooth or hard surface floors. Do not use on wet carpets.

1. Vacuum all carpeted areas in your home.
2. By shaking container from side to side lightly sprinkle FLEAGO evenly over entire carpeted areas including under beds and under furniture where carpet can be seen. Any visible product remaining after application must be brushed into carpet fibers.
3. Very lightly sprinkle under cushions of upholstered furniture
4. Please wait at least 5 days before vacuuming treated areas
5. Two weeks after first application, sprinkle FLEAGO only where you normally vacuum.

"FLEAS ARE GONE"

Follow up once a month or less with a light application only in your heavy traffic areas as needed. **REMEMBER, FLEAGO** requires approximately 2 weeks to kill all fleas.
