Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the product listed above. With regards to labeling, you must make the labeling changes listed below:

- Revise the Precautionary Statements to read:
"Harmful if swallowed or absorbed through the skin. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling."
- Revise the Statement of Practical Treatment to read:
If Swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.
If in Eyes: Flush eyes with plenty of water. Call a physician if irritation persists.
In on Skin: Wash with plenty of soap and water. Get medical attention.

Date:
12 MAR 1996

Revise the Inhalation Statement to read:

If Inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

Revise the Storage and Disposal Statement to read:

Storage: Do not contaminate water, food, or feed by storage or disposal. Store in a cool dry place. Do not store where children or animals may gain access.

Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

3. Remove the word **guaranteed** from your labeling or include a manufacturer's warranty statement on the label.

4. Submit two copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

5. Enclosed is a copy of your label stamped "Accepted with Comments." This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for control reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Sincerely,

RPK
