NET WT. 3.5 oz. (100g)

**Outdoor Protection Gel**

Primavera's Outdoor Protection Gel lets moms and dads put a little fun into protecting their kids from exposure to the sun as well as from pesky insects.

The unique waterproof SPF 27 gel formulation not only provides PABA-free sun protection, but also has a pleasant grape scent. The gel goes on purple to insure even coverage; however, when you rub it in, the color vanishes.

The Botanical bug repellent works against mosquitoes, fleas, and ticks, and combines specially blended moisturizers with Aloe and vitamin E to temporarily protect delicate skin from drying, chafing, chapping, cracking or windburn.

**Directions:** It is in violation of Federal Law to use this product in a manner inconsistent with its labeling. Apply Outdoor Protection Gel liberally and evenly at least 15 minutes before exposure to the sun, mosquitoes, deer ticks and fleas. Smooth in until completely absorbed. For continued mosquito, deer tick and flea protection, reapply about every two hours or sooner if effectiveness diminishes. For continued sunscreen protection, reapply after 80 minutes in the water, excessive perspiration, prolonged activity or towel drying. For continuing skin protection, apply liberally as often as necessary.

**Disposal:** Do not reuse empty container. Put in trash.

**Precautionary Statements:** For external use only. Do not swallow. Avoid contact with eyes. Protect from freezing. Discontinue use if irritation or rash appears. Not to be applied over deep or puncture wounds, infections or lacerations. Consult a physician before using on children under six months of age. Keep this and all drugs out of the reach of children.

**First Aid:** If contact with eyes occurs, rinse eyes thoroughly with water. If irritation or rash persists, or a skin condition worsens or does not improve within 7 days, consult a physician. In case of accidental ingestion, seek professional assistance or contact a poison control center immediately.

**Active Ingredients:** Octocrylene 9% w/w, oxybenzone 6% w/w, octyl methoxycinnamate 7.5% w/w, octyl salicylate 4%w/w, dimethicone 1% w/w.

**Other Ingredients:** Aloe barbadensis gel, BHT, carbomer, D&C Red #33, DEA cetyl phosphate, diazolidinyl urea, FD&C blue #1, fragrance, glycerin, glycol stearate, isostearyl alcohol, methylparaben, octyl palmitate, PVP/eicosene copolymer, propylene glycol, propylparaben, stearic acid, triethanolamine, vitamin E acetate, water.
