

U.S. ENVIRONMENTAL PROTECTION AGENCY  
 Office of Pesticide Programs  
 Registration Division (H7505C)  
 401 "M" St., S.W.  
 Washington, D.C. 20460

EPA Reg. Number:

65359-2

Date of Issuance:

JAN 26 1995

Term of Issuance: Conditional

Name of Pesticide Product:

Ecobrite 1 Ready-To-Use Fungicide

NOTICE OF PESTICIDE:  
 Registration  
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Canadian Forest Products, Ltd.  
 101-1750 West 75th Avenue  
 Vancouver, British Columbia  
 CANADA V6P 6G2

Notes: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following revisions to the label:
  - a. Signal Word: Danger
  - b. Precautionary Statement: Replace with the following:  
 "Corrosive. Causes irreversible eye damage. Due to corrosive nature, may be harmful or fatal if swallowed. Harmful if absorbed through skin. Do not get in eyes, on skin or on clothing. Wear goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse."
  - c. Statement of Practical Treatment: Revise as follows: IF IN EYES: Flush with water for 15 minutes. Call a physician. IF SWALLOWED: Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. IF ON SKIN: Wash with plenty of soap and water. Get medical attention.
  - d. Add the following "Note to Physician" below the statements of practical treatment:  
 NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.
3. Submit five copies of the final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label and the science review are enclosed for your records. Please note that the Confidential statement of formula (CSF) dated 04/08/93 is no longer valid. The CSF dated 09/02/93 is acceptable and supersedes all other CSFs.

## ENVIRONMENTAL HAZARDS

Do not contaminate water by cleaning of equipment or disposal of wash waters.

## PHYSICAL OR CHEMICAL HAZARDS

Do not use this product in or on electrical equipment due to the possibility of shock hazard.

## DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELLING.

Use ECOBRITE® 1 Ready-To-Use Fungicide directly from the container to treat pine, spruce, fir, hemlock and other softwood lumber for yard storage. For wood cut within 24 hours or dry wood, apply by dipping or spraying thoroughly to wet or saturate the entire lumber surface. Allow treated lumber surfaces to dry in a containment area. To prevent leaching during yard storage, cover bundles with appropriate wrap.

### ALWAYS FOLLOW THESE GUIDELINES:

- Treat only clean, dry lumber, using linear spray boxes or dip tanks.
- Before use, check that commercial spray box flow coaters or dip tanks are free of leaks and have a provision to eliminate or contain mist overspray, drips and spillage into the surrounding environment.
- Apply ECOBRITE® 1 Ready-To-Use Fungicide directly from drums or reusable totes.
- Treat bundles or parts of bundles containing only one type of wood.
- Treat wood by wetting all surfaces with the solution, once. The wetting can be accomplished by dipping the wood into the solution or by spraying it.

402/1

## STORAGE AND DISPOSAL

**STORAGE:** Store product in a cool, dry area inaccessible to children.

**DISPOSAL:** Triple rinse emptied container and add rinsate to treated site. Do not contaminate food or feed by storage or disposal.

**IN THE CASE OF METAL DRUMS,** offer for recycling or reconditioning or disposal in a sanitary landfill, or by incineration if allowed by State and local authorities.

**IN THE CASE OF REUSABLE TOTES,** seal container and store away from treatment site for vender pick-up.

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or Hazardous Waste Management representative at the nearest EPA Regional Office for guidance.
