U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

65384-3

NOV 23 1993

Term of Issuance:

Conditional

Name of Pesticide Product:

Low DEET Insect
Repellent Towelettes

NOTICE OF PESTICIDE:
 X Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

SolarCare Technologies Corp.
1745 Eaton Avenue
Bethlehem, PA 18018

Notes: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 65384-3".
 - b. We regard the name "Low Deet Insect Repellent Towelettes" as a safety claim. Remove the word "Low" from the name.
 - c. Revise under precautionary statements the phrase "Keep out of reach of young children and infants" to "Keep out of reach of children".
 - d. You may use claims of this product as being "New" up to one year from registration. Products distributed one year from this date must have references to "New" removed.

Signature of Approving Official:

Rk

Date:

8-17-93

2e. The directions for use are a little confusing for use of the towelette, so please add after the phrase "Open package at notch, remove and unfold towelette." the phrase " Use towelette to lightly wet skin and/or clothing with repellent." You may remove the phrase "use just enough repellent to cover exposed skin and/or clothing."

f. The signal word for this product should be "Caution". Please change the signal word to caution on both the front panel and in the Precautionary Statements section. Revise the statement in the Precautionary Statements section "May cause eye injury." to the statement "Avoid contact with eyes and lips."

3. Please submit a revised Confidential Statement of Formula which shows EPA Reg. No. 3095-23 as the source product and breaking down the consistuant parts (as you have done) without identifying McLaughlin Gormley King Co. as the registrant. Your source is PIC Corp., not MGK. If you choose to identify another source, you may do so as an alternate formulation. If you were to use MGK , you would need to identify the inert ingredients separately.

4. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

FRONT PANEL

LOW DEET INSECT REPELLENT
NEW
EASY-TO-CARRY TOWELETTES

ACTIVE INGREDIENTS:

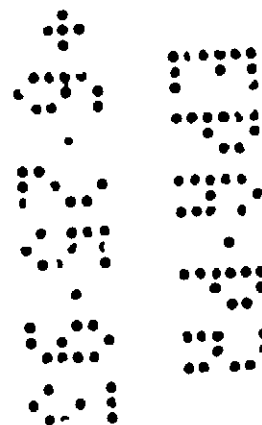

N, N-diethyl-m-toluamide	19.38

ACCEPTED
with COMMENTS
in EPA Letter Dated

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

BACK PANEL

New INSECT REPELLENT TOWELETTES delivers easy-to-carry, convenient protection against:

- * Mosquitoes
- * Chiggers
- * Stable Flies
- * Gnats
- * Ticks
- * Deer Flies
- * Black Flies
- * Fleas

DIRECTIONS FOR USE. Read all directions before using this product. It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Open package at notch, remove and unfold towelette. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. Repeat as needed. After returning indoors, wash treated skin with soap and water. Wash treated clothing.

STORAGE AND DISPOSAL. Store in a cool dry area away from heat or open flame. Refold towelette into foil package, wrap securely and discard in trash.

Avoid contact with plastics, such as eyeglass frames, and fabric such as acetate rayon.

PRECAUTIONARY STATEMENTS. HAZARDS TO HUMANS AND DOMESTIC ANIMALS. WARNING: KEEP OUT OF REACH OF YOUNG CHILDREN AND INFANTS. Harmful if swallowed. May cause eye injury. In case of contact with eyes, flush with plenty of water and get medical attention. Do not apply to sunburned, damaged, cut or wounded/irritated skin. Do not apply to eyes, lips and mouth and do not apply to the hands of young children. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you

PHYSICAL HAZARDS: Keep away from heat or open flame.
