NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Add the phrase, "EPA Registration No. 65445-1" to your label before you release the product for shipment.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

FEB 22 1992

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Robert A. Forrest
Product Manager (14)
Insecticide-Rodenticide Branch
Registration Division (H7504C)

Enclosure: 1) Stamped label

ROACH KILLING STATIONS

IT WORKS™ roach killing station bait starts to attract roaches immediately. Roaches crawl in, eat other foods. Roaches crawl in, IT WORKS kills faster than other roach killing stations. Lasting control of roaches than other roach killing stations kill roaches.

DIRECTIONS

It is a violation of Federal law to use IT WORKS in a manner inconsistent with its labeling. For effective roach control, place IT WORKS in areas where roaches are present. once.

1. Open pouch, remove IT WORKS roach killing station, break apart from plastic frame.
2. Place all 12 roach killing stations in areas where roaches have been seen.
3. IT WORKS begins attracting roaches, roaches eat bait, crawl away and die.
4. Replace all roach killing stations in areas where roach protection from roaches.

IT WORKS roach killing station is used in nursing homes, hospitals, restaurants, offices and office buildings, storehouses, food processing establishments, bakeries, military installations, schools, churches, etc. Can be placed wherever roaches are present.
