Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 65458-2".
 - b. Revise the claim under the product name to read as follows: For Agricultural Outdoor Use Only. "For use as toxicant in Cotton Boll Weevil and other listed insect traps."
 - c. Under Directions for Use add revise the statement as follows: "...Insecticide Chip is for use only as a toxicant in insect..." Also add, "Do not use INSECTICIDE CHIP for any other purpose."

Signature of Approving Official:

Date:

d. On front.

3. According to label directions the labeling chips are to be replaced every 5 weeks. Amvac's insect strip, the me-too reference product, remains efficacious for 4 months. Please explain the difference. How many and what size are the chips in your product? Also how many chips are placed into each trap?

4. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

George T. LaRocca
