Washington, D.C. 20460

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration

(under FIFRA, as amended)

EPA Reg.
Number:

65462-5

Date of Issuance:

OCT 10 1995

Term of Issuance:

Conditional

Name of Pesticide Product:

Organic Plus® PCO
Pyrethrin /
Diatomaceous Earth
Insecticide

Name and Address of Registrant (include ZIP Code):

Organic Plus, Inc.
108 Dale Avenue, SE
Albuquerque NM 87105

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. With regards to the product name, if you wish to use the active ingredient(s) as a part of the product name you must use **all listed** active ingredients or non at all. Therefore the product name must incorporate piperonyl butoxide.

3. Make the following label changes:

a. Revise the EPA Registration Number to read, "EPA Reg. No. 65462-5".

Signature of Approving Official:

Date:

LA

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped cop of the label is enclosed for your records.

CAUTION

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

65462-4

Harmful if inhaled for extended periods. Do not breathe dust. Avoid contact with eyes and skin. Wear a mask or pesticide respirator jointly approved by Mine Safety and Health Administration and the National Institute for Occupational Safety and Health. Use in adequate ventilation and avoid breathing dust. For prolonged treatments, use a dust mask. Wash hands thoroughly after using and before smoking or eating. Avoid contamination of food and food stuffs. Cover fish aquariums before dusting.

STATEMENT OF PRACTICAL TREATMENT:

FIRST AID:

~~If in Eyes: Flush eyes with plenty of water. Call a physician immediately, if irritation persists.~~

~~If on Skin: Remove contaminated clothing and wash affected areas with soap and water.~~

If Inhaled: Remove person to fresh air.

~~If Swallowed: Call a physician or Poison Control Center immediately. Do not induce vomiting.~~

ENVIRONMENTAL HAZARDS:

This pesticide is highly toxic to fish. Do not apply directly to water or to areas where surface water is present, or to intertidal areas below the mean water mark. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

PCQ Organic Plus® Pyrethrin/Diatomaceous Earth Insecticide is a contact insecticide. Treat when insects are present and repeat as required to maintain control. Apply uniformly as a dust or liquid to running areas and places where crawling insects are found. Remove or cover food prior to use. All food preparation surfaces and utensils should be covered during treatment, or thoroughly washed before use. Do not use in commercial food/feed handling establishments, restaurants or those areas where food is commercially prepared or processed. ~~Not for use on turf being grown (1) for sale or other commercial use, or (2) for commercial seed production, or (3) for research purposes.~~

TO APPLY AS A DUST, apply uniformly with a hand-held duster, powder duster or similar equipment to running areas and places where crawling insect pests are found.

TO APPLY AS A LIQUID, mix 2 oz. Organic Plus® Pyrethrin/Diatomaceous Earth Insecticide per gallon of water or 3 pounds Organic Plus® Pyrethrin/Diatomaceous Earth Insecticide per 25 gallons of water. Shake or stir immediately before application and during extended applications to insure even mixing. Apply 1-2 oz. Organic Plus® Pyrethrin/Diatomaceous Earth Insecticide per 500 square feet.

FIRE ANTS: Kills and temporarily reduces annoyance of fire ants. To reduce annoyance from fire ants and to keep them from entering homes, thoroughly dust patios, barbecue areas, driveways, entry ways, door sills, window frames, other entrance areas foundations of buildings, ant trails, around pools and areas where fire ants are noticed. Dust until the area is well covered, contacting as many insects as possible. See directions below for treatment of fire ant mounds.

FIRE ANT MOUNDS: Prepare solution by mixing 4 tablespoons/gallon or 1 pound/25 gallons of water. Drench both the mound and the area within six inches of the mound with solution.

Page 3 of 3

Apply gently to avoid disturbing ants. Reapply as necessary. For best results, apply in cool weather (65-80°F) or in early morning or late evening hours. Treat new mounds as they appear.

COCKROACHES, ANTS, EARWIGS, SILVERFISH, CRICKETS, MILLIPEDES AND CENTIPEDES:

Coat with a layer of dust in areas where these pests are found or may hide such as cracks and crevices, behind and beneath stoves, refrigerators, sinks, cabinets, garbage cans, in and around sewer pipes and drains, window frames and in attics and basements. Apply directly to insects when possible.

HOUSE FLIES: Apply to surfaces of window frames, around light fixtures on porches, in garages and other similar places where these insects alight or congregate.

FLEAS, DOG TICKS AND LICE ON PETS AND IN PET PREMISES: Lightly work powder into the hair of the animal, working the powder down to the skin. Pay strict attention to places the animal cannot reach, such as the scalp. Dust the ears of the animal with care. Dust the animal's bedding and areas where the animal sleeps, as well as cracks and crevices adjacent to them. Repeat once a month or as necessary. Thoroughly dust individual dog ticks observed on the animal.

CARPET BEETLES: Thoroughly dust along baseboards, edges of carpeting, under furniture, under carpeting and rugs, in closets and shelving, and wherever carpet beetles are seen or suspected.

BEDBUGS: Take bed apart. Dust into joints and channels. If hollow, such as square or round tubing, dust interior of the framework well. Dust mattresses, especially tufts, folds and edges. Treat all cracks and crevices in the room.

~~**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.~~

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in a cool, dry place away from food or feed. Keep out of reach of children.

~~**DISPOSAL:** Do not reuse empty container. Wrap in several layers of newspaper and discard in trash.~~ Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed to State or local authorities, by burning. If burned, stay out of smoke.

NOTICE TO USE: Seller's guarantee shall be limited to the terms of the label and, subject thereto, the buyer assumes all risks to persons or property arising out of the use or handling and accepts the product on these conditions.
