Subject: CR BRANDS, INC.
Bleach Based Cleaner Disinfectant
EPA Reg. No.: 65595-2
Application Date: March 30, 2007
Receipt Date: April 2, 2007

Dear Ms. Griffin:

The labeling for the product referred to above submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended to add organisms, is acceptable with conditions.

Conditions

1. The Agency does not stamp alternate brand name labels. Therefore, the proposed alternate brand has been removed from the label.
2. The proposed label states the following "Avoid contact with metal or porcelain." You must provide a listing of all surfaces for use of this product.

General Comments

A stamped copy of the labeling accepted with a condition is enclosed. Submit one copy of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact Wanda Henson at (703) 308-6345.

Sincerely,

Emily H. Mitchell
Product Manager – Team 32

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

CAUTION: Harmful if inhaled. Causes moderate eye irritation. Avoid breathing dust, vapor or spray mist. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

FIRST AID: Call poison control center or doctor for treatment advice. Have product container or label with you when you call a poison control center or doctor. **If on skin or clothing:** Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

Environmental Hazards

This product is toxic to fish and aquatic organisms. [In accordance with PR notice 95-1, the following is only required for containers 5 gallons and larger.]

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Physical and Chemical Hazards

This product contains bleach. Mixing this product with any other cleaning products such as ammonia, toilet bowl cleaners, or other chemicals may release hazardous gases irritating to eyes, lungs and mucous membranes.

Cleans and Disinfects

[The following must appear on the label:] Effective against *Salmonella enterica* and *Staphylococcus aureus* in 30 seconds. [Optional]: Effective against *Aspergillus niger* (mildew) and *Trichophyton mentagrophytes* (athlete's foot fungus) in 10 minutes.

For use in the home [optional: schools, offices, and institutions.]

[Optional Claims]:

- With bleach
- Disinfects [with bleach]
- Kills mildew and cleans soap scum
- Kills athlete's foot fungus

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

1. Read entire label before use.
2. Turn nozzle to on position.
3. Use only in well ventilated areas.
4. Reclose sprayer for storage.
5. Wash hands after use.

Use to Clean bathroom tile, grout, fiberglass showers, vinyl bath mats and shower curtains, garbage cans, diaper pails, and to prepare surfaces for painting. Spray directly on area to clean and wait a few minutes for stains to disappear. For soap scum, allow to penetrate (but not dry) and wipe clean. Rinse and repeat if necessary.

Use to Disinfect hard non porous surfaces including bathroom floors, glazed tile, outside surfaces of toilet, sinks, diaper pails, garbage cans, kitchen counters and floors: Spray surface until thoroughly wet, allow to stand for 30 seconds. Rinse and air dry.

To kill mildew and athlete's foot fungus, allow product to stand for 10 minutes before rinsing.

Avoid contact with wood or painted surfaces you do not intend to repaint. **Avoid contact with metal or porcelain.** Do not allow bleach based cleaner to come in contact with clothing, carpeting, or other fabrics which may become discolored or damaged.

STORAGE AND DISPOSAL

Store this product in a cool dry area away from direct sunlight and heat to avoid deterioration. Do not reuse container but place in trash collection.
