5461181 116/18

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/ reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Revise the EPA Registration Number to read, EPA Reg. No. 65608-1.
 - b. As specified in PR Notice 91-2, the percent active ingredient statement on the label must be stated as the nominal concentration. Therefore, your active ingredient label claim must be changed to 0.9%.
3. On your Confidential Statement of Formula, please indicate the purity of the active ingredient (i.e., 30%). Also, indicate in parenthesis the nominal concentration of the active ingredient as well as the upper and lower certified limits as follows:

(Nominal concentration = 0.9% ; Upper limit = 0.99% ; Lower limit = 0.81%)

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

Caution

Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

Physical or Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Avoid prolonged exposure to sunlight or heat from radiators, stoves, hot water and other heat sources.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO KILL ANTS, COCKROACHES, SPIDERS, SILVERFISH, EARWIGS, AND OTHER CRAWLING INSECTS FOUND IN HOMES.

- Shake well before using.
- Press foam nozzle until desired amount of GUARD-U foam covers the insect(s) you wish to kill. Pest will be dead in one or two minutes.
- When ready to remove the GUARD-U foam and dead pest, wipe away with a damp paper towel and discard. Dry the target surface if desired.

STORAGE AND DISPOSAL

STORAGE: Store product in original container. Keep in original containers and place in locked storage areas. Avoid storage at high temperatures. Do not contaminate food or feed by storage or disposal. Replace cap after use. Discard if container is damaged.

DISPOSAL: Replace cap and discard containers in trash. Do not incinerate or puncture.
