UNIT STATES ENVIRONMENTAL PROTECTIC AGENCY

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Biopesticides and Pollution Prevention Division (7511P)
1200 Pennsylvania Avenue NW
Washington, DC 20460

EPA Reg. Number: 65615-7

Date of Issuance: APR 3 2008

NOTICE OF PESTICIDE:

[x] Registration (under FIFRA, as amended)

Term of Issuance: Unconditional

Name of Pesticide Product: Scoot Deer & Rabbit Repellent

Name and Address of Registrant (include ZIP Code):

Scoot Products
PO Box 150501
Grand Rapids, MI 49515

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) provided you:

- 1. Submit and/or cite all data required for registration of your product under FIFRA section 3(c)(5) and section 4 when the Agency requires all registrants of similar products to submit such data.
2. Submit within 12 months data package for Guideline Study: OPPTS 830.6317 (Storage Stability).
3. Make the following label change before you release the product for shipment: Revise the EPA Registration Number to read, "EPA Reg. No. 65615-7.
4. Submit three (3) copies of the revised final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

above 15 to 30	14 point	10 point
over 30	18 point	12 point

(Revised 5/82)

A-79 ENCLOSURE

Final printed labeling is defined as that labeling which will accompany the pesticide product to market, and includes not only the container label, but also all accompanying technical information, brochures, etc.

Final printed labeling for the Agency's files should be of a size that can be stored conveniently in 8 1/2 x 11 inch files. Labels may be mounted or photo-reduced to meet the size requirements provided the printing is legible and is of microfilm reproduction quality. Should photo reduction make any of the text illegible, the text must be typed out on an accompanying sheet of paper.

PASTE-ON LABELING: This should be submitted as is, unless it requires photo reduction.

SCREEN PRINTED LABELING: These labels should be printed by taping paper on the container as it goes through the printing process. The actual container should not be submitted.

EMBOSSSED LABELING: These labels should be photocopied.

UNUSUAL SIZE LABELING: Large bags or boxes must be photo-reduced, either the entire label on one reduction or in sections so that each section is 8 1/2 x 11 inches.

SCOOT® DEER & RABBIT REPELLENT

PRECAUTIONARY STATEMENTS:

Hazards to Humans and Domestic Animals: CAUTION: Causes moderate eye irritation. Use protective eyewear. Avoid contact with eyes, skin, or clothing. Harmful if inhaled or swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

FIRST AID

IF IN EYES: *Hold eye open and rinse slowly and gently with water for 15-20 minutes. *Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. *Call a poison control center or doctor, or go in for treatment advice.

IF INHALED: *Move person to fresh air. *If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. *Call a poison control center or doctor, or go in for treatment advice.

IF ON SKIN OR CLOTHING: *Take off contaminated clothing. *Rinse skin immediately with plenty of water for 15-20 minutes. *Call poison control center or doctor for treatment advice.

IF SWALLOWED: *Call a poison control center or doctor, or go in for treatment advice. *Have person sip a glass of water if able to swallow. *Do not induce vomiting unless told to do so by the poison control center or doctor. *Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also call the National Pesticide Information Center at 800-858-7378 or go to www.npoc.org.edu . Or call 800-222-1222 for emergency medical treatment information.

ENVIRONMENTAL HAZARDS: For terrestrial uses. Do not apply directly to water, or to areas where surface water is present or to intertidal; areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: DO NOT use product indoors. DO NOT SPRAY THIS PRODUCT ON FRUITS OR VEGETABLES OR ANY PLANT USED FOR HUMAN FOOD OR ANIMAL FEED. Because of the wide variety of plants and test conditions that may be encountered, test product for phytotoxic effects on small areas of plant to be treated before treating entire plant or plantings.

APPLICATION DIRECTIONS: DO NOT SPRAY INTO THE WIND. Point sprayer away from face and towards plant or object to be treated. Position yourself so the wind is to your back.

DEER RTU: Hold sprayer 12 inches from plant or object you wish to treat. Apply spray until foliage or targeted areas are uniformly wet. Take care not to miss or soak areas excessively. REAPPLY PRODUCT IF NEEDED AT WEEKLY INTERVALS.

RABBIT: DO NOT SPRAY INTO THE WIND. Point sprayer away from face and towards plant or object to be treated. Position yourself so the wind is to your back. Spray liberal amount of product around flowerbeds and mulch. Spray on woody ornamentals to prevent chewing bark from around shrubs and small trees. Test soft tissue (flowers and leaves) as product could burn soft tissue causing plant damage. Reapply as necessary, may take several days to teach animals not to frequent treated areas.

Warranty Disclaimer: To the extent with applicable law, Buyer assumes all responsibility for safety and use not in accordance with product directions. It is impossible to eliminate all risks inherently associated with the use of this product. Scoot® Products is not responsible for any damage to plants.

STORAGE AND DISPOSAL:

Storage: Store only in original container in dry place inaccessible to children and pets.
Disposal: If empty: DO NOT reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
