This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Add the phrase "EPA Registration No. 65636-45" to your label before you release the product for shipment.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6 (e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

ACCEPTED  
with COMMENTS  
in EPA Letter Dated

MAR 21 1994

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.

65636-45

Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under the body. Fluff the hair as you spray so the spray will penetrate to the skin. The spray should wet the ticks thoroughly. Do not spray in face, eyes or on genitalia. Repeat as needed.

#### **STORAGE AND DISPOSAL**

**Storage:** Store in a cool area away from heat and open flame. Store above 32°F and protect from freezing.  
**Disposal:** Do not re-use container. Wrap and discard in trash.

#### **PRECAUTIONARY STATEMENTS**

##### **Hazards to Humans and Domestic Animals**

##### **WARNING**

Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contamination of food and feedstuffs. Do not use on nursing puppies or kittens under three months of age. Do not use this or any other pesticide on sick, old or debilitated pets.

##### **PHYSICAL and CHEMICAL HAZARDS**

Do not use or store near heat or open flame.

##### **ENVIRONMENTAL HAZARDS**

Do not contaminate water when disposing of equipment washwaters.

##### **STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED:** Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything to an unconscious person.

**IF INHALED:** Remove victim to fresh air. Apply artificial respiration if indicated.

**IF ON SKIN:** Remove contaminated clothing and wash affected areas with soap and water.

**IF IN EYES:** Flush eyes with plenty of water. Call a physician if irritation persists.

**Buyer assumes all risks of use, storage or handling of this product not in strict accordance with this label.**
