NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/ reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 65636-53.
3. Submit one copy of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Net Contents ___ oz.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING

Do not apply directly to foliage of shrubs or to ornamental, soft-bodied plants.

GENERAL: For both indoor and outdoor situations, the most effective control for a pet is the sharp spoken word backed up with disciplinary action. This repellent product should be used in conjunction with training.

INDOORS: To break your pet of undesirable habits (such as sleeping on furniture, rugs, and other forbidden areas in your home): Spray the article of furniture, rugs, etc., lightly with this product so that the area or object is slightly moistened. Before spraying extensive areas of rugs, fabrics or plastics, test the effect of this product by first treating a small inconspicuous area. This product may stain or soften some fabrics or plastics.

An alternate method to avoid possible damage is to spray a piece of cloth lightly and place it on the object or area in your home to be protected. Repeat daily, or as necessary, until undesirable habit is broken.

OUTDOORS: To prevent your pet, or stray animals, from soiling flower beds, areas of lawn, trees, shrubbery or evergreens: Spray the edges of flower beds, trunks of trees, the bases of shrubbery and evergreens, patches of lawn, etc., lightly every day, or every other day, with this product. Stray animals are frequently attracted to areas where urine or feces have been deposited. First, remove any droppings, then spray the spot with this masking odor. Re-apply as often as necessary until undesirable habits of your pet or stray animals are changed.

Note: This product is not likely to break the established urination patterns of dogs unless used as a training aid.

Garbage and Garbage Cans: Treat bags of garbage and garbage cans on all surfaces until wet. Allow to dry before handling. Re-apply as necessary.

STORAGE AND DISPOSAL

Storage: Store only in original container, in a dry place, inaccessible to children and pets.

Disposal: Do not re-use container. Wrap and discard in trash.

PRECAUTIONARY STATEMENTS

Hazards To Humans and Domestic Animals

CAUTION

Harmful if swallowed or absorbed through the skin. Avoid contact with skin. Wash hands with soap and water after spraying.

Do not use in commercial food processing or preparation areas. In the home, all food processing surfaces and utensils should be covered during treatment. Cover exposed food. Do not apply to food crops.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Keep away from heat or open flame.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with this label.
