Mr. Robert R. Adams, Jr.
R&M Regulatory Services
65 Roswell Street-Building 400
Alpharetta, Georgia 30201-1931

Dear Mr. Adams,

Subject: Amendment to Add Two Alternate Formulations to Record
R&M Aloe Repellent Treatment #11
EPA Registration Number 65636-62
Submission Dated 17 June 1994

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy of the product label is enclosed for your records.

The two alternate formulations dated 17 June 1994 and received 21 June 1994 are acceptable and have been included in the record for this pesticide product.

Sincerely,

Mr. Harvey Warnick
Acting Product Manager 10
Insecticide-Rodenticide Branch
Registration Division

DIRECTIONS FOR USE

It is violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not put treatment directly on broken skin or an open wound.
Treatment may be applied on a bandage.

DOGS - PUPPIES - CATS - KITTENS

To Kill and Repel Ear Mites: Clean ear to remove built-up wax and dirt. Gently dry ear with a cotton ball or soft cloth and apply a thin film of treatment. The treatment may be applied daily for 7 to 10 days.

To Kill Ticks: Make sure treatment covers ticks.

To Use as a Repellent: Spread treatment lightly on outer and inner surface of the outer ear and between the toes before animals enter infested area. Repeat daily as needed.

HORSES - FOALS

To control Ticks, Gnats, Flies, Mosquitoes and Mange Mites: Before application remove dirt or debris by brushing or washing with a mild detergent. Allow to completely dry. Apply a light film to affected areas daily, massaging into the skin for 2 to 3 days. Then apply every 3 to 5 days as needed.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area.

Disposal: Do not reuse empty container. Wrap container and put in trash collection.

**Precautionary Statement
Hazards to Humans and Domestic Animals
CAUTION**

Human: Harmful if swallowed. Avoid breathing vapors. Avoid contact with eyes. In case of contact, immediately flush eyes with plenty of water. Obtain medical attention if irritation persists. If swallowed, do not induce vomiting. Wash hands with soap and water after using.

Animals: Avoid contact with eyes. If in eyes, flush with water. Do not use on meat or milk producing animals.

Environmental Hazards

This product is toxic to fish. Do not apply directly to water.

Physical or Chemical Hazards: None

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with this label.
