HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. May cause eye irritation. avoid eye contact. Wash thoroughly after handling.

DIRECTIONS FOR USE

STIR WELL BEFORE USE.

1

It is a violation of Federal law to use this product in a manner inconsistent with it's labeling.

For cockroach control: Use a small putty knife to apply the bait liberally under and behind refrigerators, stove, sink dishwasher, washing machines and dryer, tubs and into openings around drains, sewers, manholes, water pipes and electrical conduits; in cracks and crevices along baseboards and in the seams of cabinets, cupboards and closets. Remove all lower and upper drawers in the kitchen and bathroom cabinets and other furnishings such as dressers and coffee tables, then apply bait in small amounts into those areas of such furnishings that provide harborages for cockroaches. All areas that provide harborage, such as furnace rooms, hot water heaters and smoke detectors should be treated by placing bait into the cracks and crevices associated with such areas.

Application of bait should be performed as deemed necessary to continue desired level of control. Any baiting material that is overly visible after application should be scraped into cracks and crevices or removed. Apply this product in areas that are inaccessible to children and pets. Avoid contamination of feed and foodstuffs.

DIRECTIONS FOR APPLYING BAIT IN NEW CONSTRUCTION TO CONTROL COCKROACHES. When treating large areas, such as wall voids, soffit and cabinet voids and areas around utility openings in new and existing construction, apply bait liberally into cracks and crevices.

LABEL FORMAT C

FRONT, BACK OR SIDE PANEL (CONTINUED)

This product may be used in homes, restaurants and other food and feed handling establishments, markets, warehouses, factories, offices, schools, motels, hotels, nursing homes, hospitals, grocery stores, garages, apartment buildings, new construction, theaters, ships, airplanes, industrial plants, mobile homes, zoos, kennels, military bases libraries and utilities.

CRACK AND CREVICE TREATMENT

FOOD AND FEED HANDLING ESTABLISHMENTS: Places other than private residences in which exposed food or feed is held processed, prepared or served.

FOOD AREA - APPLICATION LIMITED TO CRACK AND CREVICE TREATMENT ONLY: Includes areas for receiving, storage, packing (caning, wrapping, boxing) preparing, edible waste storage and enclosed processing systems such as mills, dairies, bakeries, restaurant or anywhere food or feed is stored, processed, prepared or served. Serving areas (when food is exposed and facility is in operation) also would be considered a food area.

Apply bait in small amounts directly into cracks and crevices using suitable equipment capable of applying bait directly into cracks and crevices, in points between different elements of construction, between equipment and floors, openings leading to void and hollow spaces in walls, equipment legs and bases, conduits, motor housing, where cockroaches hide.

Care should be taken to avoid depositing the bait onto exposed food or feed processing, and serving surfaces, or introducing the bait into food or feed processing surfaces to avoid contamination.

APPLICATION OF THIS PRODUCT IN THE FOOD AND FEED AREAS OF FOOD HANDLING ESTABLISHMENTS, ARE NOT PERMITTED.

SERVING AREAS - Facilities where prepared foods are served, such as dining rooms, but excluding areas where foods may be prepared or held. Apply bait as a spot treatment to selective surfaces such as baseboards, under elements of construction into cracks and crevices. Avoid treating surfaces likely to be contacted by food. (Do not apply when facility is in operation or foods are exposed.)

LABEL FORMAT C

FRONT, BACK OR SIDE PANEL (CONTINUED)

NON-FOOD AREAS: Include garbage rooms, lavatories, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after caning or bottling). Apply to baseboards areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets and similar areas where insects hide or through which they may enter.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a dry place. Do not store where children or animals may gain access.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of onsite or at an approved waste disposal facility.

CONTAINER DISPOSAL: Do not reuse empty container. Securely wrap in newspaper and discard in trash.
