

Prm 23 11/10

Page 1 of 1

**ACCEPTED**

JUL 20 1994

Under the Federal Insecticide, Fungicide, and Rodenticide Act, or amended, for the pesticide registered under EPA Reg. No. 65730-1

A fungistat and moss inhibitor for wood or composition roofs that actively inhibits the growth of moss and/or fungi. Resists corrosion. Will not bleed, rust or discolor.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Starting one row down from roof cap, install from either end of the roof. Slide one Shingle Shield under shingle until its built-in alignment guide butts against the edge of the overlapping shingle.

Once aligned, raise shingle tab, locate a pre-punched hole and nail into place using neoprene washer head roofing nails (not included). Repeat process with a 1/8" gap between each Shingle Shield until row is completed.

**Storage and Disposal**

Do not reuse empty container. Wrap container and place in trash.
