New York, NY 10176

Dear Ms. Stout:

Subject: Galigan® 2EC Herbicide
EPA Reg. No. 66222-28 ✓
Application and Letter Dated July 30, 2003,
Request To Add Supplemental Labeling for Aerial
Application in Fresno County, California (From February
15 through March 31 only) To Given Geographic Area

The propose amendment to the subject registration in the form of a Supplemental Label to allow aerial application in Fresno County, California from February 15 through March 31, only; and to a described geographic area, has been reviewed and found acceptable under the Federal Insecticide, Fungicide and Rodenticide Act, as amended; provided that you:

1. Add to the heading of the labeling the statement that reads:
"For Aerial Application in Fresno County, California, Only
(From February 15 through March 31, only).
2. Add the following statements in a box format to the attention of the using public:
 - o It is a violation of federal law to use this product in a manner inconsistent with its labeling.
 - o This labeling must be in the possession of the user at the time of application.
 - o Read the label affixed to the container of Galigan 2EC Herbicide before applying. Follow all restrictions and precautionary statements for the specific use site to which this labeling applies.

Delete the statements that are made redundant by adding these statements in a box.

3. Reference to a "pamphlet" must be deleted or a copy of the pamphlet must be submitted for review and added to the labeling for this pesticide product registration.

- 4. Submit one copy of the final printed labeling prior to shipment under the revised, enclosed stamped copy of the "Supplemental Label".

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA, section 6(e). Your release for shipment of this product under the revised labeling constitutes acceptance of these conditions.

Sincerely yours,

Joanne I. Miller

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.
66222-28

SUPPLEMENTAL LABEL

GALIGAN® 2EC HERBICIDE

EPA REG. NO. 66222-28

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL AND PAMPHLET, USE STRICTLY IN ACCORDANCE WITH PRECAUTIONARY STATEMENTS AND DIRECTIONS AND WITH APPLICABLE STATE AND FEDERAL REGULATIONS.

In addition to the directions for use by aerial application that appear on the Galigan 2EC Herbicide EPA registered label, the following guidelines are required between the dates of February 15 to March 31 for applications in the following geographic area:

- NORTH: Fresno County Line**
- SOUTH: Fresno County Line**
- EAST: State Highway 99**
- WEST: Fresno County Line**

Observe the following directions to minimize off-site movement during aerial application of Galigan 2EC Herbicide. Minimization of off-site movement is the responsibility of the grower, aerial applicator and pest control advisor.

A written recommendation **MUST** be submitted by or on behalf of the applicator to the Fresno County Agricultural Commissioner 24 hours prior to application. This written recommendation **MUST** state the proximity of surrounding crops, and that conditions of each manufacturer's applicable label(s) and this label have been satisfied.

Aerial application of Galigan 2EC Herbicide is limited to pilots who have successfully completed a Fresno County Agricultural Commissioner and California Department of Pesticide Regulation approved training program for aerial application of herbicides. All aircraft must be inspected, critiqued in flight, and certified at a Fresno County Agricultural Commissioner approved fly-in. Test and calibrate spray equipment at intervals sufficient to insure that proper rates are being applied during the commercial use season. Applicator must document such calibrations and testing. Demonstration of performance at Fresno County Agricultural Commissioner approved "fly-ins" constitutes such documentation, or other written records showing calculations and measurements of flight and spray parameters are acceptable.

Do not apply this product by air earlier than 30 minutes prior to sunrise and/or later than 30 minutes after sunset without prior permission from the Fresno County Agricultural Commissioner.

THIS LABELING MUST BE IN THE POSSESSION OF THE USER AT THE TIME OF PESTICIDE APPLICATION. PLEASE REFER TO CONTAINER LABEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS.
