NOV 27 2012

Dear Ms. Knox:

In the Agency letter of October 18, 2012, the Agency approved amended labeling for this registration providing two changes were made. The letter erroneously referred to your product as Bumper® 51.8 EC in the subject line, rather than the correct product name, Bumper® 41.8 EC. This letter amends the October 18, 2012 letter by noting that the correct product name for EPA Reg. No. 66222-42 is Bumper® 41.8 EC.

The label associated with this change has been previously stamped "Accepted with Comments" and is dated October 18, 2012. Submit one copy of the final printed label that incorporates the required changes before the product is released for shipment. If you have any questions, please contact Heather Garvie by phone at: 703-308-0034 or via email at: [garvie.heather@epa.gov](mailto:garvie.heather@epa.gov).

Sincerely,

A handwritten signature in cursive script, appearing to read "William Cutchin".
