Environmental Products
2524 Elden Street #E
Costa Mesa, CA 92627

Attn: Paul Fisher

Subject: Power Herbal Disinfectant
EPA Registration No. 66288-1
Your Submissions of July 18 and July 29, 1994

Your amendment proposal to the subject registration involving alternative sources of supply of the active ingredient in the product formulation and additional product container size and labeling has been reviewed. The following comments are a result of our review.

Product Chemistry

- The proposed alternate sources of active ingredient for your product formulation are acceptable. The forwarded product chemistry data on the unregistered sources of ethyl alcohol as well as the data provided on the end-use formulation is satisfactory.

Product Labeling

1. The proposal to market an additional container size of the subject product in 1 oz. containers with complete labeling attached or affixed is acceptable.

2. The product labeling for the additional container sizes, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. A stamped copy is enclosed for your records. Five copies of the finished labeling must be submitted before releasing the product for shipment.

a. On the container label, revise the heading "Directions" to read "Directions For Use".

CONCURRENCES

SYMBOL							
SURNAME							
DATE	12 8 NOV 1994						

b. In the Precautionary Statements section of the container label, before the instructions which read: "If swallowed...", insert the heading in capital letters "STATEMENT OF PRACTICAL TREATMENT (FIRST AID)". Place this and the correlating instructions in a separate paragraph below the preceding text.

If you should have any questions concerning this letter, you may call Robert Travaglini on (703) 305-6909.

Sincerely,

Ruth G. Douglas
Product Manager (32)

Fungicide, and Rodenticide Act and
under the pesticide
regulation Act, Reg. No.
66288-1

POWER Herbal Disinfectant meets AOAC Use-Dilution test standards for hospital disinfectants. It kills *Staphylococcus Aureus*, *Salmonella Choleraesuis*, and *Pseudomonas Aeruginosa*. As a Viruscidal, it kills Herpes Simplex Type 1 and Vaccinia on environmental surfaces.

USES:
Residential: Bathrooms, Kitchens, Pet Areas, Smoke-Filled Rooms.
Commercial: Hospitals, Hotels/Motels, Schools, Health Clubs.

DIRECTIONS:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
Surface Disinfectant: Apply Power Disinfectant with a mop, cloth, sponge or pump spray so as to thoroughly wet pre-cleaned surfaces. Do not dilute. Allow surfaces to remain wet for 10 minutes. See complete directions for use on enclosed insert.

WARNING
Causes eye and skin irritation. Harmful if swallowed. Do not get in eyes or on skin or on clothing. If swallowed: Drink large quantities of water. Do not induce vomiting. Avoid alcohol. Contact a physician or the Poison Control Center immediately. If in eyes: rinse with large quantities of water for at least 5 minutes. Seek medical assistance.

POWER Herbal Disinfectant...
meets ADAC Use-Dilution test standards for
hospital disinfectants. It kills *Staphylococcus*
aureus, *Salmonella*, *Choleraesuis*, and
Pseudomonas aeruginosa. As a virucidal it kills
Herpes Simplex Type 1 and Vaccinia on
environmental surfaces.

DIRECTIONS

It is a violation of Federal law to use this product
in a manner inconsistent with its labeling. POWER
Herbal Disinfectant is designed for effective
deodorizing and disinfection of hard nonporous
surfaces such as walls, sink tops, tables, bathroom
fixtures, telephones and bed frames.

Surface Disinfectant: Apply POWER Disinfectant with a mop, cloth, sponge or pump spray as to thoroughly wet/bleached surfaces. Do not dilute. Allow surfaces to remain wet for 10 minutes. To remove disinfectant, wait 10 minutes, then use a damp cloth or sponge and wipe on controlled area.

For heavy soiled areas, or surfaces and objects
with blood or body fluids, a pre-cleaning step is
required. Use a clean sponge or lint-free cloth.

STORAGE AND DISPOSAL

Storage: Store in a cool dry place. **Container Disposal:** Do not reuse empty container. Rinse container thoroughly before discarding in trash or offering for recycling.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals:
Warning: Causes eye and skin irritation. Harmful if swallowed. Do not get in eyes, on skin or on clothing. If swallowed, drink large quantities of water. Do not induce vomiting. Avoid alcohol. Contact a physician or the Poison Control Center immediately if in eyes. Use with large quantities of water for at least 5 minutes. Seek medical assistance if on skin. Remove and wash contaminated clothing before reuse. Rinse with copious amount of water if irritation persists. Seek medical assistance.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

USES

Residential

- Bathrooms
- Kitchens
- Pet Areas
- Smoke-Filled Rooms
