NOTIFICATION

Explanation: Use additional page(s) if necessary. (For section I and Section II.)
 Notification of label text change - PR Notice 91-4
 This notification is consistent with the provisions of PR Notice 95-2 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.A. Sec. 1001 to wilfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 95-2 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Total Outdoor Protection

Specially Formulated for the Outdoorsman

SUNSECT® is a pleasant smelling, waterproof, sweatproof, sunscreen lotion specially formulated to repel mosquitos, ticks, chiggers, deer flies, stable flies, black flies, fleas, and gnats on exposed skin surfaces. SUNSECT'S® formula (patent pending) provides a continuous long lasting shield repelling the listed insects while providing a UVA and UVB sun block that is Paba free. The regular use of SUNSECT® may also help reduce the chance of premature aging and wrinkling due to over-exposure to the sun. SUNSECT® also moisturizes your skin leaving it feeling smooth and natural without ever feeling sticky or greasy.

ACTIVE SUNSCREEN INGREDIENTS: Octyl-methoxycinnamate, Benzophenone-3, Octyl Salicylate

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Read all directions before using this product.

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck. Do not apply to eyes and mouth. Use just enough repellent to cover exposed skin. Repeat application as necessary. Do not apply over cuts, wounds, or irritated skin. Do not apply to the hands of young children. Do not use under clothing. Avoid contact with plastics, such as eyeglass frames and plastic watch crystals, leather and synthetic fabrics such as acetate, rayon, Spandex and Dynel. May damage painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. Wash clothing that may have come into contact with treated skin. Avoid overexposure - frequent reapplication and saturation are unnecessary for the effectiveness of SUNSECT®. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION - Causes eye irritation. Harmful if swallowed. Avoid contact with eyes or lips. Instruct older children in the proper use of this product and keep it from infants and young children. Do not let children rub their eyes after treatment.

STATEMENT OF PRACTICAL TREATMENT: If in eyes - flush with plenty of water -

4/4

get medical attention, if irritation persists. If swallowed - call physician or poison control center.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area away from heat.

DISPOSAL: Do not reuse empty container, wrap container and put in trash.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with this label.
