Subject: Revised Label For:  
Iguana Insect Repellent  
EPA Registration No. 66306-1  
Application dated January 24, 2003

Dear Ms. Buteau:

The proposed amendment to the registration for the product cited above under The Federal Insecticide, Fungicide And Rodenticide Act, as amended revising the label in accordance with PR Notices 2001-1 and 2001-6, the DEET RED and the Final Monograph for Sunscreen Drug Products for Over-The -Counter Human Use is acceptable subject to the following comment.

Your suppliers of DEET are no longer claiming that their products are 100 percent active. Therefore to maintain the 20 percent claim on your label you must adjust the amount of your suppliers product that goes into your product. The various suppliers of DEET are claiming a different active percentage, therefore the amount will vary depending on which supplier you use. Submit a revised Confidential Statement Of Formula.

A stamped copy of the label is enclosed for your records.

If you have any questions please contact Joseph Tavano at (703) 305-6411.

Sincerely

  
Marlon J. Johnson, Jr.  
Product Manager 10  
Insecticide Branch  
Registration Division(7505C)

Total Outdoor Protection  
Specially Formulated for the Outdoorsman

IGUANA® is a pleasant smelling, waterproof, sweatproof sunscreen lotion specially formulated to repel mosquitos, ticks, chiggers, deer flies, stable flies, black flies, fleas and gnats on exposed skin surfaces. IGUANA'S® patented formula provides a continuous long lasting shield repelling the listed insects while providing a UVA and UVB sun block that is Paba free. The regular use of IGUANA® may also help reduce the chance of premature aging and wrinkling due to over-exposure to the sun. IGUANA® also moisturizes your skin leaving it feeling smooth and natural without ever feeling sticky or greasy.

ACTIVE SUNSCREEN INGREDIENTS: *Octinoxate*; Benzophenone-3, [and] Octyl Salicylate

**DIRECTIONS FOR USE:**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

*Read and follow all directions and precautions on this product*

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck. Do not apply *near* eyes and mouth. *Apply sparingly around ears.* Use just enough repellent to cover exposed skin *and or clothing.* Repeat application as necessary. Do not apply over cuts, wounds or irritated skin. Do not apply to the *children's hands.* Do not allow children to handle this product. *When using on children, apply to you own hands and then put it on the child* Use just enough repellent to cover exposed skin *and or clothing.* Do not use under clothing. Avoid contact with plastics, such as eyeglass frames and plastic watch crystals, leather and synthetic fabrics such as acetate, rayon, Spandex and Dynel. May damage painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. *Wash treated clothing before wearing it again.* Avoid *over-application of this product - frequent reapplication and saturation are unnecessary for the effectiveness of IGUANA®.* Use of this product may cause skin reactions in rare cases. If you suspect *a reaction to this product, discontinue use, wash treated skin and call your local poison control center.* If you go to a doctor, take this *product* with you.

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION** - Causes eye irritation. Harmful if swallowed. *Do not get in eyes or on lips. Not recommended for use on infants or toddlers.*

(Note to reviewer: Boxed format or bullets may be used in First Aid section if label space permits)

**FIRST AID**

*If in eyes: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison*

*control center or doctor for treatment advice.*

*If swallowed Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to do so. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.*

*Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information call 1-800-344-8262 [or the National Pesticide Information Center at 1-800-858-7378].*

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool, dry area inaccessible to children.

**DISPOSAL:** Before disposing, empty container by using the product according to the label. Do not reuse this container. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency or 1-800-558-5252 for disposal instructions. Never place unused product down any indoor or outdoor drain.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with this label.
