> Specially Formulated for the Outdoorsman

Iguana® is a pleasant smelling, waterproof, sweatproof, sunscreen lotion specially formulated to repel mosquitos, ticks, chiggers, deer flies, stable flies, black flies, fleas, and gnats on exposed skin surfaces. Iguana's® formula (patent pending) provides a continuous long lasting shield repelling the listed insects while providing a UVA and UVB sun block that is Paba free. The regular use of Iguana® may also help reduce the chance of premature aging and wrinkling due to over-exposure to the sun. Iguana® also moisturizes your skin leaving it feeling smooth and natural without ever feeling sticky or greasy. ACTIVE SUNSCREEN INGREDIENTS: Octyl-methoxycinnamate, Benzophenone-3, Octyl Salicylate

**DIRECTIONS FOR USE:**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Read and follow all directions and precautions on this product label.

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck. Do not apply near eyes and mouth. Apply sparingly around ears. Use just enough repellent to cover exposed skin and/or clothing. Repeat application as necessary. Do not apply over cuts, wounds, or irritated skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Do not use under clothing. Avoid contact with plastics, such as eyeglass frames and plastic watch crystals, leather and synthetic fabrics such as acetate, rayon, Spandex and Dynel. May damage painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Avoid over-application of this product - frequent reapplication and saturation are unnecessary for the effectiveness of Iguana®. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you.

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS**

**CAUTION** - Causes eye irritation. Harmful if swallowed. Do not get in eyes or on lips.

**FIRST AID**
