Total Outdoor Protection
Specially Formulated for the Outdoorsman

IGUANA[®] is a pleasant smelling, waterproof, sweatproof sunscreen lotion specially formulated to repel mosquitos, ticks, chiggers, deer flies, stable flies, black flies, fleas and gnats on exposed skin surfaces. IGUANA'S[®] patented formula provides a continuous long lasting shield repelling the listed insects while providing a UVA and UVB sun block that is Paba free. The regular use of IGUANA[®] may also help reduce the chance of premature aging and wrinkling due to over-exposure to the sun. IGUANA[®] also moisturizes your skin leaving it feeling smooth and natural without ever feeling sticky or greasy.

ACTIVE SUNSCREEN INGREDIENTS: Octinoxate, Benzophenone-3 and Octyl Salicylate

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Read and follow all directions and precautions on this product

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck. Do not apply near eyes and mouth. Apply sparingly around ears. Use just enough repellent to cover exposed skin and/or clothing. Repeat application as necessary. Do not apply over cuts, wounds or irritated skin. Do not apply to the children's hands. Do not allow children to handle this product. When using on children, apply to you own hands and then put it on the child. Do not use under clothing. Avoid contact with plastics, such as eyeglass frames and plastic watch crystals, leather and synthetic fabrics such as acetate, rayon, Spandex and Dynel. May damage painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Avoid over-application of this product - frequent reapplication and saturation are unnecessary for the effectiveness of IGUANA[®]. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to a doctor, take this product with you.

**PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION - Causes eye irritation. Harmful if swallowed. Do not get in eyes or on lips.

(Note to reviewer: Boxed format or bullets may be used in First Aid section if label space permits)

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to do so. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

For additional information call 1-800-344-8262 [or the National Pesticide Information Center at 1-800-858-7378]. ["For additional information" statement may be substituted by alternative company preferred comments questions 800 number located elsewhere on label]

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area inaccessible to children.

DISPOSAL: Before disposing, empty container by using the product according to the label. Do not reuse this container. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency or 1-800-558-5252 for disposal instructions. Never place unused product down any indoor or outdoor drain.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with this label.
