Office of Pesticide Programs
Registration Division (7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number: Date of Issuance:

66306-2 28 FEB 1996

Term of Issuance: Conditional

NOTICE OF PESTICIDE:
 x Registration
 Reregistration

Name of Pesticide Product: Sunsect
Insect Repellent
Sunscreen with Aloe -
SPF 4

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Robert R. Stewart, Ph.D.
Technology Sciences Group Inc.
Registration Agent for Amon Re, Inc.
1101 17th Street, N.W.
Washington, D.C. 20036

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 66306-2" and move it to the front panel.
- b. Delete from the third marketing statement the following language "allows us to use a lower amount of DEET (only 20%) and still". This language is false and misleading because it is not clear what the 20% is lower than.

- c. Add to the directions for use the following statement:
"If you go to a doctor, take this repellent with you."
- d. Add to the If Swallowed Statement of Practical Treatment the following: "Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting."
- e. The contents of the container must be expressed as net contents.
- f. The Container Disposal Statement must read as follows:
"Container Disposal: Do not reuse empty container. Wrap container in several layers of newspaper and discard in trash."

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Total Outdoor Protection

Specially Formulated for the Outdoorsman

SUNSECT® is a waterproof, sweatproof, sunscreen insect repellent that is pleasant smelling and provides up to 10 hours of UVA and UVB protection that is Paba free.

SUNSECT® with aloe vera moisturizes your skin leaving it feeling smooth and natural without ever feeling sticky or greasy. The regular use of SUNSECT® may also help reduce the chance of premature aging and wrinkling due to over-exposure to the sun.

SUNSECT® formula (patent pending) ~~allows us to use a lower amount of DEET (only 20%) and still~~ provide effective, long lasting protection from mosquitos, biting flies, ticks, fleas, gnats, chiggers, no-see-ums, and other insects.

ACTIVE SUNSCREEN INGREDIENTS: Octyl-methoxycinnamate, Octyl Salicylate

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Read all directions before using this product.

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck. Do not apply to eye and mouth. Use just enough repellent to cover exposed skin. Repeat application as necessary. Do not apply over cuts, wounds, or irritated skin. Do not apply to the hands of young children. Do not use under clothing. Avoid contact with plastics, such as eyeglass frames and plastic watch crystals, leather and synthetic fabrics such as acetate, rayon, Spandex and Dynel. May damage painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. Wash clothing that may have come into contact with treated skin. Avoid overexposure - frequent reapplication and saturation are unnecessary for the effectiveness of SUNSECT®. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. *If you go to a doctor, take this repellent with you.*

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION - Causes eye irritation. Harmful if swallowed. Avoid contact with eyes or lips. Instruct older children in the proper use of this product and keep it from infants and young children. Do not let children rub their eyes after treatment.

STATEMENT OF PRACTICAL TREATMENT: If in eyes - flush with plenty of
