SUNSECT® for KIDS clinically tested hypo-allergenic formula meets guidelines of the American Academy of Pediatrics. SUNSECT® for KIDS SPF/30 provides up to 8 hours of UVA and UVB protection that's PABA free. Its pleasant smelling, non-greasy, waterproof, sweatproof, [and] formula prevents tanning and sunburn [and moisturizes with Aloe Vera]. SUNSECT® for KIDS repels mosquitos, ticks, chiggers, deer flies, stable flies, black flies, fleas, and gnats on exposed skin surfaces. The regular use of SUNSECT® may also help reduce the chance of premature aging and wrinkling because of over-exposure to the sun.

ACTIVE SUNSCREEN INGREDIENTS: Octocrylene; Octyl methoxycinnamate; Benzophenon-3

alternate text

[*(Insert trade name)* offers convenient dual protection in one bottle, for total outdoor skin protection. This WATERPROOF SPF 30 sunscreen protects kids from harmful UVA and UVB rays, while it also repels mosquitos, gnats, ticks, chiggers deer flies, stable flies, black flies and fleas on exposed skin surfaces. This pleasantly fragranced, PABA-free, NON-GREASY lotion also MOISTURIZES children's sensitive skin with soothing Aloe Vera. *(Insert trade name)* is hypoallergenic and meets the guidelines of the American Academy of Pediatrics. Regular use of a sunscreen may help reduce the chance of long term sun damage such as premature aging, wrinkling, and skin cancer.]

[ACTIVE SUNSCREEN INGREDIENTS: Octocrylene, Ethylhexyl p-Methoxycinnamate, Oxybenzone]

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Read all directions before using this product.

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck. Do not apply to eyes and mouth. Use just enough repellent to cover exposed skin. Repeat application as necessary[, such as after prolonged swimming or excessive perspiration]. Do not apply over cuts, wounds,

or irritated skin. Do not apply to the hands of young children. Do not use under clothing. Avoid contact with plastics, such as eyeglass frames and plastic watch crystals, leather and synthetic fabrics such as acetate, rayon, Spandex and Dynel. May damage painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. Wash clothing that may have come into contact with treated skin. Avoid overexposure - frequent reapplication and saturation are unnecessary for the effectiveness of SUNSECT®. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you. Consult a physician before use on children under 6 months of age.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS

CAUTION - Causes eye irritation. Harmful if swallowed. Avoid contact with eyes, lips, or clothing. Instruct older children in the proper use of this product and keep it from infants and young children. Do not let children rub their eyes after treatment.

STATEMENT OF PRACTICAL TREATMENT: If in eyes - flush with plenty of water - get medical attention, if irritation persists. If swallowed - call physician or poison control center [immediately].

STORAGE: Store in a cool, dry area away from heat.

DISPOSAL: Do not reuse empty container, wrap container and put in trash.
