DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Read and follow all directions and precautions on this product label.

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck. Do not apply near eyes and mouth. Apply sparingly around ears. Repeat application as necessary [such as after prolonged swimming, or excessive perspiration, vigorous activity or toweling]. Do not apply over cuts, wounds or irritated skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to you own hands and then put it on the child. Use just enough repellent to cover exposed skin and/or clothing Do not use under clothing. Avoid contact with plastics, such as eyeglass frames and plastic watch crystals, leather and synthetic fabrics such as acetate, rayon, Spandex and Dynel. May damage painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Avoid over-application of this product - frequent reapplication and saturation are unnecessary for the effectiveness of SUNSECT®. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to a doctor, take this product with you. ~~wash treated skin and call your local poison control center~~. Consult a physician before use on children under 6 months of age.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION - Causes eye irritation. Harmful if swallowed. Do not get in eyes or on lips. Not recommended for use on infants or toddlers.

(Note to reviewer: Boxed format or bullets may be used in First Aid section if label space permits)

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to do swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information call 1-800-344-8262 or the National Pesticide Information Center at 1-800-858-7378.

Mr. Joseph Tavano, Acting PM 10
Registration Division (7505C)
Office of Pesticides Programs, EPA
1921 Jefferson Davis Highway,
Arlington, VA 22202

Dear Mr. Tavano:

On behalf of Iguana, LLC, we are submitting a Notification for Sunsect Insect Repellent Sunscreen SPF 30, EPA Reg. No. 66306-5, to add front panel label language to aid in consumer understanding that this product may be used to repel mosquitoes that may carry diseases, add alternative text for sunscreen active ingredients and to correct a typographical error. We have enclosed five copies of the notification for your files.

If you have any further questions or need more information about this submission please contact Ms. Amy Roberts at (202) 828-8964 or me at (530) 757-1050.

Sincerely,

Katherine A. Buteau
