**DIRECTIONS FOR USE:**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**Read and follow all directions and precautions on this product label.**

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck. Do not apply near eyes and mouth. Apply sparingly around ears. Use just enough repellent to cover exposed skin and/or clothing. Repeat application as necessary [such as after prolonged swimming, excessive perspiration, vigorous activity, or toweling]. Do not apply over cuts, wounds, or irritated skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Do not use under clothing. Avoid contact with plastics, such as eye-glass frames and plastic watch crystals, leather and synthetic fabrics such as acetate, rayon, Spandex and Dymel. May damage painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Avoid over-application of this product - frequent reapplication and saturation are unnecessary for the effectiveness of **Sunsect®**. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you. Consult a physician before use on children under 6 months of age.
