DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Read and follow all directions and precautions on this product label.

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck. Do not apply near eyes and mouth. Apply sparingly around ears. Repeat application as necessary [such as after prolonged swimming, or excessive perspiration, vigorous activity or toweling]. Do not apply over cuts, wounds or irritated skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to you own hands and then put it on the child. Use just enough repellent to cover exposed skin and/or clothing [text relocated with in paragraph] Do not use under clothing. Avoid contact with plastics, such as eyeglass frames and plastic watch crystals, leather and synthetic fabrics such as acetate, rayon, Spandex and Dynel. May damage painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Avoid over-application of this product - frequent reapplication and saturation are unnecessary for the effectiveness of SUNSECT[®]. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to a doctor, take this product with you. Consult a physician before use on children under 6 months of age.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION - Causes eye irritation. Harmful if swallowed. Do not get in eyes or on lips.

(Note to reviewer: Boxed format or bullets may be used in First Aid section if label space permits)

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information call 1-800-344-8262 or the National Pesticide Information Center at 1-800-858-7378. ["For additional information" statement may be substituted by alternative company preferred comments questions 800 number located elsewhere on label]

STORAGE AND DISPOSAL [heading added 10-16-02]

STORAGE: Store in a cool, dry area inaccessible to children.

DISPOSAL: Before disposing, empty container by using the product according to the label. Do not reuse this container. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency or 1-800-558-5252 for disposal instructions. Never place unused product down any indoor or outdoor drain.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with this label.

Fax 415 293-8001

Dear Sir or Madam:

On March 5, 2004 Technology Sciences Group Inc submitted on behalf of Iguana LLC a notification to reinstate several statements that were inadvertently omitted in a recently approved label. There were two discrepancies between the highlighted version of the label that identified the changes and the proposed label with the changes made. I am resubmitting the March 5, 2004 notification with the corrected label.

Included in this notification is one copy of the label with the changes highlighted and three copies of the label with the changes. In the highlighted version we have attached notes indicating the dates when EPA previously approved the wording.
