Amon-Re', Inc.  
c/o Technology Sciences Group Inc.  
1101 17th St. N.W.  
Suite 500  
Washington, D.C. 20036

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 66306-7".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

### **Total Outdoor Protection**

**Sunsect®** Dry Oil Formula is pleasant smelling sunscreen and insect repellent spray specially formulated to repel mosquitos, ticks, chiggers, deer flies, stable flies, black flies, fleas, no-see-ums, and gnats on exposed skin surfaces. **Sunsect®** Dry Oil Formula (patent pending) provides a continuous long lasting shield repelling the listed insects while providing a UVA sun protection that is PABA-free. The regular use of **Sunsect®** may also help reduce the chance of premature aging and wrinkling because of over-exposure to the sun. **Sunsect®** also moisturizes your skin with aloe vera and squalane leaving it feeling smooth and natural.

ACTIVE SUNSCREEN INGREDIENTS: Octyl methoxycinnamate

#### **DIRECTIONS FOR USE:**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**Read all directions before using this product.**

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck. Do not apply to eyes and mouth. Use just enough repellent to cover exposed skin. Repeat application as necessary. Do not apply over cuts, wounds, or irritated skin. Do not apply to the hands of young children. Do not use under clothing. Avoid contact with plastics, such as eyeglass frames and plastic watch crystals, leather and synthetic fabrics such as acetate, rayon, Spandex and Dynel. May damage painted or varnished surfaces. After returning indoors, wash treated skin with soap and water. Wash clothing that may have come into contact with treated skin. Avoid overexposure - frequent reapplication and saturation are unnecessary for the effectiveness of **SUNSECT®**. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center.

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING** - Causes moderate eye irritation. Harmful if swallowed. Do not get in eyes. Avoid contact with lips. Instruct older children in the proper use of this product and keep it from infants and young children. Do not let children rub their eyes after treatment.

**STATEMENT OF PRACTICAL TREATMENT:** If in eyes - flush eyes with plenty of water. Call a physician if irritation persists. If swallowed - call physician or poison control center. If you go to a doctor, take this repellent with you.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool, dry area away from heat.

**DISPOSAL:** Do not reuse empty container, wrap container in newspapers and put in trash.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with this label.
