Net Contents _ FL OZ. (_ ml.)

Iguana Oil Deer Hunters Insect Repellent [alternate trade name] with Earthscent [Forestscent] combines just the right amount of insect repellent (only 20% DEET) with just the right amount of Earthscent [Forestscent]. Finally, the bugs won't bug you and deer can't smell you! It provides hours of effective protection from mosquitos, ticks, chiggers, deer flies, stable flies, black flies, and gnats on exposed skin and clothing surfaces.

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling. **Read all directions before using this product.** Hold 4 to 6 inches away from skin or clothing and spray. Keep upright. Spread by hand if necessary for complete coverage. Apply to hand for application to face and neck. Do not spray in enclosed areas. Do not apply to eyes and mouth and do not apply to the hands of young children. Do not apply over cuts, wounds, or irritated skin. For chiggers and ticks, apply around all clothing openings. Use just enough repellent to cover exposed skin or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing. **DO NOT APPLY ON OR NEAR: ACETATE, RAYON, SPANDEX, OR SYNTHETICS OTHER THAN NYLON, FURNITURE, PLASTICS, WATCH CRYSTALS, LEATHER, AND PAINTED OR VARNISHED SURFACES INCLUDING AUTOMOBILES.** Allow repellent to dry before handling bow grips or gun stocks. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION- Causes moderate eye irritation. Harmful if swallowed. Do not get in eyes. Avoid contact with lips. Instruct older children in the proper use of this product and keep it from infants and young children. Do not let children rub their eyes after treatment.

FIRST AID: If in eyes - flush eyes with plenty of water. Call a physician if irritation persists. If swallowed - call physician or poison control center. If you go to a doctor, take this repellent with you.

STORAGE AND DISPOSAL

Store in a cool, dry area away from heat. Do not reuse empty container, wrap container in newspapers and put in trash.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with this label.
