Elevate 50 WDG, EPA Registration No. 66330-35
Your letter dated October 25, 2002

Dear Dr. Mezin:

The registrations for these products which were conditionally registered in accordance with FIFRA Section 3(c)(7)(C) are extended until January 31, 2006. The conditional registrations are being extended to allow additional time for the Agency review of data which were submitted as a condition of the registrations.

If you have any questions, you may reach me at (703) 308-9354.

Sincerely,

A handwritten signature in cursive script that reads "Mary L. Waller".
