Registration Division (7505C)

1200 Pennsylvania Ave., N.W.

Washington, D.C. 20460

## NOTICE OF PESTICIDE:

☒ Registration  
☐ Reregistration

(under FIFRA, as amended)

EPA Reg.

Number:

66330-51

Date of Issuance:

11-14-05

Term of Issuance:

Conditional

Name of Pesticide Product:

Everest Technical  
Herbicide

Name and Address of Registrant (include ZIP Code):

Arysta LifeScience North America Corporation  
100 First Street, Suite 1700  
San Francisco, CA 94105

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided you agree in writing to:

1. Submit the following outstanding studies (independent laboratory validations of: Analytical Method for the Determination O-Desmethyl MKH 6562 (Metabolite of MKH 6562 in Soil by High Performance Liquid Chromatography Tandem Mass Spectrometry), Analytical Method for the Determination of MKH 6562 and Metabolites NODT (N,O-dimethyltriazolinone), Sulfonic Acid and Sulfonamide in Soil by High Performance Liquid Chromatography Tandem Mass Spectrometry, and Analytical Method for the Determination of MKH 6562 and Three Metabolites in Groundwater by High Performance Liquid Chromatography Tandem Mass Spectrometry).
2. The time limited-tolerance will expire on November 30, 2006.

Have an EVEREST Technical container or label with you when calling a poison control center or doctor, or going for treatment.	

## ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product in to lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the

3/4

permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into a herbicide, for:

- (1) The following uses:  
Terrestrial food and feed crop uses: winter wheat and all types of spring wheat including durum.
- (2) Uses for which USEPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration; and,
- (3) Uses for experimental purposes that are in compliance with USEPA requirements.

### **CONDITIONS OF SALE**

1. Arysta LifeScience North America Corporation warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label only when used in accordance with the directions under normal conditions of use.
2. This warranty does not extend to the use of this product contrary to directions for use on the label or to use/performance of this product in or during weather conditions that are not ordinary and customary in the geographic area where this product is used. Arysta LifeScience Corporation therefore offers this product on the express condition that use of this product contrary to label directions and/or use/performance of this amount in or during weather conditions that are not ordinary and customary in the geographic area where the product is used are the sole responsibility of the buyer and user of this product. Except as provided in No. 1 above, buyer and user of the product acknowledge and assume all risks and liability resulting from handling, storage, and use of this product.
3. Warning: Failure to follow label directions and/or weather conditions, other than those ordinary and customary in the geographic area where the product is used may result in insufficient control of pests, injury to the crop to which this product is applied, and/or injury to crops, including later planted crops, animals, humans, or the environment.
4. Arysta LifeScience Corporation disclaims all other warranties, expressed or implied, including any warranty of fitness or merchantability. Seller shall not be liable for consequential, special or indirect damages resulting from the use or handling of this product and seller's sole liability and buyer's and user's exclusive remedy shall be limited to the refund of the purchase price. Arvesta does not authorize any agent or representative to make any other warranty, guarantee or representation concerning this product.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Disposal:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**Pesticide Storage:** Store in a cool, dry place and in such a manner as to prevent cross contamination with other pesticides, fertilizers, food, and feed. Store in original container and out of reach of children, preferably in a locked storage area.

Handle and open container in a manner as to prevent spillage. If the container is leaking or material spilled for any reason or cause, carefully sweep material into a pile. Refer to Precautionary Statements on label for hazards associated with the handling of this material. Do not walk through spilled material. Dispose of pesticide as directed above. In spill or leak incidents, keep unauthorized people away. For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC (703) 527-3887 or (800) 424-9300.
