Your label amendment dated June 8, 2010

Dear Dr. Akers:

In the Agency letter of June 8, 2010, the Agency approved amended labeling for this registration with the condition that specific label revisions be made to the June 8, 2010 label stamped "Accepted with Comments". This letter further amends the June 8, 2010 label stamped "Accepted with Comments" by requiring the following additional changes:

Midas 50:50 label for sale and use in Florida only

- On page 20 under the Calibration, Set up, Repair, and Maintenance for Application Rigs in the first bullet, delete the words "carbon steel."

Midas 50:50 label for sale and use in states other than Florida

- On page 20 under the Calibration, Set up, Repair, and Maintenance for Application Rigs in the first bullet, delete the words "carbon steel."

The labels associated with these changes have been previously stamped "Accepted with Comments" and are dated June 8, 2010. Submit one copy of the final printed labels that incorporates the required changes before the product is released for shipment. If you have any questions, please contact Andrea Carone by phone at (703) 308-0122 or via email at carone.andrea@epa.gov or Mary Waller by phone at (703) 308-9354 or via email at waller.mary@epa.gov.
