Date of Issuance:

Term of Issuance:
Conditional

Name of Pesticide Product:
Westside 3096

NOTICE OF PESTICIDE:
 Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Westbridge Industries Inc.
1161 Park Avenue
Plainfield, NJ 07060-3010

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes listed below before you release the product for shipment:

a. Add the phrase, "EPA Reg. No. 66451-1".

b. Place "It is a violation of federal law to use this product in a manner inconsistent with its labeling" immediately after the heading "Directions for Use".

Signature of Approving Official:

Date:

c. In the Technical Bulletin reinstate the following directions for use that were on the product specifications in the original submission:

Applications:

For prevention of mildew growth in latex and oil based exterior and oil based exterior coatings and stains.

Controls fungal growth in interior latex coatings.

Westcide 3096 should be added during the grind stage of manufacture. It is a micronized powder compatible with a wide variety of latex systems.

d. In the Technical Bulletin delete "Typical" before "Use levels:".

3. Submit one (1) copy of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product directly into lakes, streams, ponds, estuaries. This product is specifically identified and addressed in an NPDES permit. Do not discharge into sewer systems without previously notifying the sewage treatment plant authority. For guidance contact the Board or Regional Office of the Environmental Protection Agency.

STATEMENT OF PRACTICAL TREATMENT

SEE DANGER STATEMENTS - LEFT SIDE OF THIS LABEL

INHALATION: Remove person to fresh air and get immediate medical attention.

IF IN EYES: Immediately flush eyes with plenty of water for at least 15 minutes. Call a physician.

IF ON SKIN: Wash skin with soap and water. Rinse thoroughly. This product may produce irritation characterized by redness or rash on exposed skin areas, redness of eyes and bronchial irritation. If a severe reaction should contact a physician. **NOTE TO PHYSICIAN:** Persons with allergic reactions should avoid antihistamines or steroid creams and/or systemic steroids.

STORAGE: Do not contaminate water, food or feed by storage or disposal. Store in a cool, dry place away from excessive heat.

DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, pesticide in containers is prohibited by Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your local Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or for incineration, or, if allowed by state and local authorities, by burning. If burning, use a high temperature incinerator.

DIRECTIONS FOR USE: For complete directions on use refer to the technical bulletin. Do not use this product in a manner inconsistent with its labeling. Observe all precautions listed under "Precautionary Statements" when handling and using this product.

Consult the MATERIAL SAFETY DATA SHEET for further information.
