160/487.528
171

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, however, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under FIFRA section (3)(c)(2)(B).

1. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 66480-4".
 - b. Revise the disclaimer statement to read as follows:

Buyers assumes all risk of use, storage or handling of this material not in strict accordance with directions given herewith.

2. Submit two copies of the revised final printed label for the record.

3. We have no objection to the additional brand name Eco-Fresh Brand Bug Resister.

Signature of Approving Official:

Date:

103

283

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DIRECTIONS FOR USE

OUTDOOR USE:

Slugs, ants, cockroaches, grasshoppers, crickets, insects: Lightly coat areas where insects are found or may be found on outdoor sills, window and door entryways, around foundations and in and around basements. Repeat treatment as necessary.

INDOOR USE:

Cockroaches, ants, silverfish, millipedes, fleas, ticks, lice: Apply a thin layer of eco-fresh® Insect Killer in areas where insects are found or may hide, such as behind and beneath refrigerators, stoves, garbage cans, pipes and drains, windows and basements. Dust as often as possible. Repeat treatment as necessary.

Fleas, ticks, lice: Treat bedding in and around pets. Also treat surrounding areas, baseboards, carpeting, etc. if fleas or lice are suspected. Dust powder into the hair of pets to cover the scalp and whiskers. Dust the ears carefully if observed on the pet.

Carpet Beetles: Dust edges, under carpeting, in closets and shelving areas where suspected.

Bed Bugs: Dismantle and vacuum Brand DE Slug and Insect Killer from all interior areas especially folds and crevices in the bedroom.
