US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (TS-767) WASHINGTON, DC 20460 NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> REGISTRATION <input type="checkbox"/> REREGISTRATION <i>(Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)</i>	EPA REGISTRATION NO. 66591-2	DATE OF ISSUANCE JAN 04 1994
	TERM OF ISSUANCE 	
	NAME OF PESTICIDE PRODUCT Germicidal Solution	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Green Products Co.
 810 Market Ave.
 Richmond, CA 94801-1325

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 66591-2"
 - b. Change your ingredient statement to reflect the Lower Certified Limit for the active ingredient (i.e., 0.121%), and adjust the inert ingredient concentration accordingly (i.e., 99.879%).
 - c. Include your complete EPA Establishment No. (i.e., company # - State abbreviation - site #) on the label. Please note that the listed Establishment No. does not indicate the site number.

CAUTION

Not to be used for sterilization purposes. Not for disinfecting of medical, surgical, or dental instruments. For use in hospitals, medical, dental and veterinary institutions for disinfection of hard inanimate nonporous environmental surfaces.

STORAGE AND DISPOSAL
Rinse empty container thoroughly with water and discard in trash collection.

PRECAUTIONARY STATEMENT:
HAZARDOUS TO HUMAN AND DOMESTIC ANIMALS

CAUTION
KEEP OUT OF REACH OF CHILDREN
Harmful if swallowed. Avoid contact with skin, eye, or clothing. In case of contact, immediately flush with plenty of water. Get medical attention if irritation persists. Avoid contamination of foods.

DIRECTIONS FOR USE
Germicidal Solution should be used full strength. Use Germicidal Solution to clean all hard nonporous environment surfaces thoroughly and then reapply fresh solution to disinfect. Allow surfaces to remain wet for ten minutes.
To disinfect toilet bowls, flush toilet and evacuate bowl water. Clean the bowl using Germicidal Solution full strength. Swab the bowl completely using a scrub brush or toilet mop, making sure to get under the rim. Reapply fresh solution in order to disinfect. Allow surfaces to remain wet for 10 minutes. Prepare a fresh solution for each use.
For heavily soiled areas, a pre-cleaning step is required. Prepare a fresh solution for each use.

DIRECTIONS FOR USE (CONTINUED)

Germicidal Solution is a cleaner disinfectant designed for general use in schools, food processing plants and light industrial and hospital applications where housekeeping is of prime importance in controlling the hazard of cross contamination. When used as directed, Germicidal Solution is formulated to disinfect inanimate hard surfaces (such as walls, floors, sink tops, toilet bowls, tables, chairs and telephones). For larger areas, such as patient care facilities and restrooms, the product is designed for both general cleaning and disinfecting.

In addition, Germicidal Solution deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, toilet bowls and any other areas which are prone to odors caused by microorganisms.

Use only **NONIONIC** or **CATIONIC** cleaners, followed by thorough rinsing. This germicidal solution is **CATIONIC** and therefore incompatible with soap or anionic surface active agents.

ACCEPTED
with **COMMENTS**
in EPA Letter Dated:

JAN 04 1994

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 66591-2
