OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

Mr. Frank Scarangella
Island Marketing Corporation
207 Mineola Avenue, Suite 105
Roslyn Heights, NY 11577

Dear Mr. Scarangella:

Subject: Revised basic confidential statement of formula (CSF)
Revised label to remove furanones from active ingredients list
Bugchaser Brand Insect Repellent Strip ^{WY157BAND}
EPA Registration Number 66617-1
Your submissions dated January 10, 2012; January 21, 2012; and February 29, 2012

The revised basic CSF dated 2/29/2012 is acceptable, and this information has been added to our files for this product.

Revised label referred to above, and submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following comment:

Remove the claim, "Reusable up to 40 hours" from the label. According to the directions for use, this product is effective for only 4 hours.

A stamped copy of the label is enclosed for your records. Submit two (2) copies of the final printed label before you release the product for shipment bearing the revised labeling.

If you have any questions, contact Rita Kumar at (703) 308-8291, or kumar.rita@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "John Hebert".

INSECT REPELLANT WRISTBAND STRIP

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Remove BUGCHASER INSECT REPELLANT WRISTBAND STRIP from reusable barrier bag and place around ankle, wrist, clothing or anywhere protection is needed 10 minutes before going outside. Snap the ends together for a secure fit. Replacement with a fresh strip every four hours may be needed to maintain satisfactory repellency. Return to reusable barrier bag when not in use to prolong life of product. The strip can also be hung up or placed anywhere indoors where mosquitoes or houseflies are attracted.
