Nortech Forest Products Inc.
c/o North American Consulting Services
13 Merion Lane
Washington, NJ 07882

APR 15 1998

Attention: Mr. Donald J. Lawatsch

Subject: No-Gnaw
EPA Registration No. 66676-2
Your letter of February 20, 1998

The labeling submitted with the above letter is acceptable, provided that you submit one (1) copy of final printed labeling with the following changes before you release the product for shipment:

1. On your Back Panel, reorder your precautionary statements as follows:

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Corrosive ... before reuse.

FIRST AID

IF IN EYES: Hold eyelids open and flush with steady, gentle stream of water for 15 minutes. Get medical attention.

IF ON SKIN: Wash with plenty of soap and water if irritation persists.

[Since the oral and inhalation tests placed the product in Toxicity Category IV for those routes of exposure, there is no reason to have FIRST AID statements for those exposures.]

ENVIRONMENTAL HAZARDS

Do not ... land.

PHYSICAL OR CHEMICAL HAZARDS

Flammable ... flame.

This registration will be subject to cancellation in accordance with FIFRA sec. 6(e) if you do not comply with these conditions. Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

Daniel B. Peacock, Biologist
Insecticide-Rodenticide Branch
Registration Division (7504C)

RESTRICTED USE PESTICIDE

Due to Corrosiveness to Eye

For retail sale to and use only by Certified Applicators or persons under their direct supervision and only for those uses covered by the Certified Applicators' certification.

GNAW GUARD®

A ready-to-use product that reduces the extent of damage to furniture, dog barriers, rugs and other items in the home from chewing. Special formulation leaves treated objects bitter and unpleasant tasting. GNAW GUARD discourages even stubborn chewers.

ACCEPTED
with COMMENTS
in EPA Letter Dated:

APR 15 1998

** 3 - P - cymenol

**KEEP OUT OF REACH OF CHILDREN
DANGER**

See back panel for additional precautionary statements.

EPA REG. NO. 66676-2

NET CONTENTS: Various Sizes

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ THIS LABEL: Read this entire label and follow all use directions and use precautions.

USE RESTRICTIONS: GNAW GUARD discourages dogs from chewing, licking or gnawing household articles. Spray only objects the dog is violating; do not spray any other areas. Not for use as a preventative measure on objects not being chewed, gnawed or licked. Do not spray food or plastic surfaces.

PRE-APPLICATION DIRECTIONS: Test a small area on easily stained surfaces before applying full treatment

APPLICATION DIRECTIONS: Hold GNAW GUARD about six (6) inches from object to be treated and pump sprayer about five (5) times or until object is covered.

For best results, use in conjunction with firm consistent training to permanently break chewing habits. Provide dog with his own chew toys and give praise when they are used. When dog chews forbidden objects, scold and substitute a chew toy for the object. Treating forbidden objects will make chew toys more attractive.

Repeat daily until habit is broken.

FIRST AID

- IN SWALLOWED:** Induce vomiting. Seek medical attention
- IF IN EYES:** Hold eyelids open and flush with steady, gentle stream of water for 15 minutes. Get medical attention.
- IF ON SKIN:** Wash with soap and water.
- IF INHALED:** Remove individual to fresh air. Get medical attention if breathing difficulty occurs.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Keep away from heat or open flame.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Corrosive. Causes irreversible eye damage. Harmful if absorbed through skin. Wear goggles or face shield. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.
