NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.

2. Add the phrase, "EPA Registration No. 66680-1" to your label before you release the product for shipment.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with these directions.

USE RESTRICTIONS: Children and pets should not be in treated areas until application is completed. Avoid contamination of feed and water. Avoid contamination of ornamental plants.

APPLICATION DIRECTIONS

CARPETS: Apply to dry carpet only. Apply directly to carpet. Do not walk on carpet for 24 hours after application. Apply to areas of traffic or sleep at the rate of one pound per 100 square feet (1000 sq ft) areas apply at the rate of one pound per 200 square feet. Apply product to the base of the carpet pile with a broom or rug grooming equipment.

Visible product remaining after application must be removed by vacuuming.

Allow three to five weeks for maximum flea control. Reapply as needed.

Note: If high adult flea population makes it desirable, apply to kill adult fleas before or in conjunction with this product.

UPHOLSTERY: Remove loose cushions. Apply with applicator into creases and into corners and furniture wells. Do not apply to fabric. Any product visible after application must be removed.

STORAGE AND DISPOSAL

STORAGE: Keep container tightly closed when not in use. Store in a dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: Wastes resulting from use of this product should be disposed of on site or at a waste disposal facility.

CONTAINER DISPOSAL: Do NOT reuse container. Triplicate. Then offer for recycling or reconditioning, or puncture and place in landfill, or incinerator, or, if allowed by State and local authorities, burned, stay out of smoke.
