Sanex Agro Inc.
c/o Mr. Alfred E. Miller
150-152 Mason St.
Greenwich, CN 06830

Attention: Mr. Alfred E. Miller

Subject: Tiempo 4 EC
EPA Registration No. 66733-9
Your submission of June 29, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable provided that you:

1. Submit one (1) copy of final printed labeling before you ship this product.

If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of this condition.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Robert A. Forrest

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED, call a physician immediately.
IF INHALED, remove victim to fresh air. Apply respiration if indicated and call a physician.
IF IN EYES, flush with plenty of water for 15 minutes. Get medical attention.
IF ON SKIN, wash with plenty of soap and water after handling. Get medical attention if irritation persists.

NOTE TO PHYSICIANS: This product may cause cholinesterase inhibition. Atropine is antidotal. Praildozine chloride (2-PAM; PROTOPAM chloride) may be effective as an adjunct to atropine.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
WARNING

May be harmful if swallowed or inhaled. Avoid breathing spray mist. Avoid contact with skin or eyes. In case of contact, flush skin or eyes with plenty of water. Wash thoroughly with

2

soap and water after handling. Do not contaminate food or feed products. Remove and wash contaminated clothing before use.

This product is toxic to bees and should not be applied when bees are actively visiting the area. This product is toxic to birds. Shrimp and crab may be killed at application rates listed on this label. Do not apply where these are important resources. Do not contaminate water by cleaning equipment or disposal of wastes. Do not use on crops used for food, forage or pasture. You must consult your state fish and game agency before applying this pesticide to waters and wetlands.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For control of mosquito larvae, apply at the rate of 0.5 to 1.5 fluid ounces per acre. Apply to standing water in pools, shallow ponds, swamps, marshes, catch basins and similar areas where mosquitoes breed. Apply as a uniform spray in sufficient water for good coverage. The higher rate should be used in areas known to have phosphate-resistant mosquitoes. Repeat application as necessary.

Do not use on crops used for food, forage or pasture.

Young shrimp in treated tidal waters may be killed at these rates of application.

Apply a minimum of 0.5 gallons of water per acre by aircraft or vehicle mounted power equipment; 1 gallon of water per acre by hand sprayer.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

STORAGE: Store in a cool, dry area.

DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

GENERAL: Consult Federal, State or local disposal authorities for approved alternative procedures.

DISCLAIMER OF WARRANTIES: Seller warrants that the chemical

composition of this product conforms to the chemical description given on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation, are beyond the control of seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herein. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at buyer's option, as full discharge of seller's liability. No one is authorized to make any other warranty, guarantee or direction concerning this product and no such warranties, guarantees or directions shall be valid or binding upon seller.
