Gentlemen:

Subject: Tiempo 1% Granular
EPA Registration No. 66733-10
Your letter Dated April 27, 1993

The label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Three copies of the finished labeling must be submitted.

Label Comments:

- A. Under the heading "Keep Out of Reach of Children" delete all wording down to "Directions For Use" and replace with the following:

Statement of Practical Treatment

If Swallowed: Call a physician immediately.

If Inhaled: Remove victim to fresh air. Apply respiration if indicated and call a physician.

If in Eyes: Flush with plenty of water. Get medical attention.

If on Skin: Wash with plenty of soap and water after handling. Get medical attention if irritation persists.

Note to Physicians: This product may cause cholinesterase inhibition. Atropine is antidotal. Praildozine chloride (2-PAM;PROTOPAM chloride) may be effective as an adjunct to atropine.

Precautionary Statements
Hazards to humans and Domestic Animals
Caution

May be harmful if swallowed or inhaled. Avoid breathing dust. Avoid contact with skin or eyes. In case of contact flush skin or eyes with plenty of water. Wash thoroughly with soap and water after handling. Do not contaminate food or feed products. Remove and wash contaminated clothing before use.

Environmental Hazards

This product is toxic to bees and should not be applied when bees are actively visiting the area. This product is toxic to birds. Shrimp and crab may be killed at application rates listed on this label. Do not apply where these are important resources. Do not contaminate water by cleaning equipment or disposal of wastes. Do not use on crops used for food, forage or pasture. You must consult your state fish and game agency before applying this pesticide to waters and wetlands.

B. Under "Directions For Use" add "It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

C. Delete the sentence "Do not . . . label."

D. Above "Disclaimer of Warranties" add the following:

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Storage: Store in a cool, dry area.

Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

General: Consult Federal, State or local disposal authorities for approved alternative procedures.

Sincerely yours,

Robert A. Forrest

INERT INGREDIENTS:	99.0%
TOTAL	100.0%

EPA Registration No. 66733- 10

EPA Est. No. 50383-CN-1

CAUTION
KEEP OUT OF REACH OF CHILDREN

May be harmful if swallowed or inhaled. Avoid breathing of dust. Avoid contact with skin or eyes. In case of contact flush skin or eyes with plenty of water. Wash thoroughly after handling. Do not contaminate food or feed products.

ENVIRONMENTAL CAUTION

This product is toxic to birds. Shrimp and crab in treated tidal waters will be killed at these application rates. Do not apply where these are important resources. Do not contaminate water by cleaning of equipment or disposal of wastes.

Do not reuse empty container. Destroy it by burying with wastes or burning. Stay away from smoke or fumes.

DIRECTIONS FOR USE

Do not use this product for any other uses than those specified on this label. Apply uniformly and repeat application as necessary. Do not use on crops used for food, forage or pasture.

May be applied as spot treatment to catch basins and similar areas where mosquitoes may breed.

For the control of mosquito and sand fly larvae, apply as specified below. Apply uniformly.

AREAS TO BE TREATED	RATE PER ACRE
Lakes, shallow ponds, standing water, woodland pools.	5 to 10 lbs.
Marshes, swamps, tidal waters high in organic content.	10 to 20 lbs.
Highly polluted water	20 to 50 lbs.

For control of gnats, punkies and sand flies in intertidal zones of sandy beaches, margins of streams and marshlands. Apply 10 to 20 lbs. per acre uniformly around the edges of water where larvae are breeding. Repeat as necessary.

DISCLAIMER OF WARRANTIES. Seller warrants that the chemical composition of this product conforms to the chemical description given on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED IMPLIED OR STATUTORY INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or an accompanying written recommendation, are beyond the control of seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product at buyer's option as full discharge of seller's liability. No one is authorized to make any other warranty, guarantee or directions concerning this product and no such warranties, guarantees or directions shall be valid or binding upon seller.
