P.O. Box 2220
Greeley, CO 80632-2220

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 66963-1".
3. Submit three copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE

To Kill Fleas, Lice and Ticks: Bathe pet with a quality cleaning shampoo. Dilute 4 ounces of dip concentrate with 1 gallon of water. Dip animal into solution, making sure hair is wet to the skin. The area around the ears should be thoroughly sponged. Avoid contact of material with eyes and mouth of animal. Do not rinse off. Repeat as necessary for control.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place. Keep container closed. **Disposal:** Do not reuse empty container; wrap and put in trash collection.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed. Contains petroleum distillate. Avoid contact with skin or eyes. Avoid contamination of food or feedstuffs.

Statement of Practical Treatment

If Swallowed: Call a doctor or get medical attention. Do not induce vomiting due to aspiration pneumonia hazard. Do not give anything by mouth to an unconscious person. Avoid alcohol. **If In Eyes:** Flush with plenty of water. Get medical attention if irritation persists. **If on Skin:** Wash with plenty of soap and water. Get medical attention if irritation persists.

Environmental Hazards

This product is toxic to fish and other aquatic invertebrates. Do not contaminate water when disposing of equipment washwaters.
