Greeley, CO 80632-2220

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 66963-5.
 - b. Fix the typographical error in the directions for use section ("laterh") and delete the sentence fragment in the precautionary statements ("mouth of animal.")

- c. Move the "Environmental Hazards" section, as a block, so that it follows directly after the "Precautionary Statements" labeling language.
- d. Modify the "Precautionary Statements" section so that it reads as follows:

"CAUTION: Harmful if swallowed or inhaled. Avoid contact with eyes. Wash thoroughly with soap and water after handling. Animals: In case of infection or skin irritation, discontinue use and consult a veterinarian."
- e. Insert the following sentence into the "Storage" labeling block:

"Avoid contamination of feed or foodstuffs."
- f. Delete the language cited in item "e" above from the "Precautionary Statements" labeling section.
- g. Modify the "Statement of Practical Treatment" so that it reads as follows:

"If Swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting. If Inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention. If In Eyes: Flush eyes with plenty of water. Call a physician if irritation persists."

3. Confirm the citation of the bulk density of this product. The data submitted on this product indicate a significantly different bulk density than that of the cited substantially similar product.

4. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A. stamped copy of the label is enclosed for your records.

Sincerely,

Richard P. Keigwin, Jr.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To shampoo and kill *Fleas* and *Ticks*, wet pet's coat with warm water. Starting at the head, work shampoo thoroughly into the hair. Allow the lather to penetrate the fur for five minutes before rinsing. Dry with a towel. The pet will have a clear lustrous coat, free of fleas and ticks.

Pet bedding and quarters should be treated simultaneously with an approved product.

Storage and Disposal

Storage: Store in original container in a cool, dry place inaccessible to children and pets. Protect from freezing. **Disposal:** Do not reuse empty container; wrap and put in trash collection.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed. Do not inhale. Keep out of eyes and avoid contact with mucous membranes. **Animals:** In case of infection or skin irritation, discontinue use and consult a veterinarian. Avoid contamination of feed or foodstuffs.
mouth of animal.

Statement of Practical Treatment

If Swallowed: Call a physician immediately. Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person. **If Inhaled:** Seek fresh air. Apply artificial respiration if indicated and contact a physician if warranted. **If In Eyes:** Immediately flush with plenty of water. Get medical attention if irritation persists.

Environmental Hazards

This product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of waste.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
