NOTICE OF PESTICIDE:
 x Registration
 Reregistration

Name of Pesticide Product: ESPREE
Insecticide For
Horses

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Espree Animal Products, Inc.
c/o RegWest Company
P.O. Box 2220
Greeley, CO 80632-2220

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Change the label by revising the EPA Registration Number to read, "EPA Reg. No. 66963-6".
3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Store in original container in a cool, dry place inaccessible to children and pets. Protect from freezing. **Disposal:** Do not reuse empty container; wrap and put in trash collection.

This product has been especially developed for use on horses. It provides a protective hair coating against flies while imparting a high sheen to the hair when brushed out. One to two ounces per head per day give adequate protection. Apply by either soft cloth or fine mist spray.

For Use as a Wipe On: First, brush animal to remove excess dirt and dust. Moisten, but do not wet to the point of dripping, a soft cloth and rub over the hair. It is best to apply by rubbing against the hair growth. Give special attention to the legs, shoulders, shanks, neck and facial areas where flies are most often seen. Only a light application is required. Avoid using an excessive amount on your horses. Do not wet the skin. After application, brush thoroughly to bring out bright sheen on the coat. Repeat daily or as required.

For Use as a Spray: This product may be applied as a fine mist spray to stable area and over and around stabled horses for fast paralysis and kill of flies. Do not wet horse's skin or exceed two ounces per application.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed. Remove or cover exposed foods before spraying. Do not apply to dairy animals.

Statement of Practical Treatment

If Swallowed: Do not induce vomiting unless directed by a physician. Petroleum distillate may cause aspiration pneumonia. Contact a physician immediately. **If Inhaled:** Remove person to fresh air. Apply artificial respiration if indicated. Contact a physician if warranted. **If on Skin:** Remove contaminated clothing and wash affected areas with plenty of soap and water. **If in Eyes:** Flush eyes with plenty of water. Call a physician if irritation persists.

Environmental Hazards

This product is toxic to fish. Do not apply directly to water. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of wastes.

Physical or Chemical Hazards

Do not use or store near heat or open flame.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
